

Child and Youth Worker

POLICIES

The Continuing Education Program follows the Program Policies of the CYW Day Program although due to the unique nature of the CE Program course offerings the following policies apply.

PRE-REQUISITES

- Advanced Therapeutic pre-requisite Intro Therapeutic.
- Advanced Group pre-requisite Intro Group
- Field Placement 1 pre-requisites: CC142, CC143, CC162
- Field Placement 2 pre-requisites: CC255, CC257, CC153, CC359, CC327 and any 3 of the following CC358, CC458, CC457, CC553, CC552, CC556, CC558
- Field Placement 3 pre-requisites: all previous courses • C601 should be taken concurrently with this placement.

Students who are not able to complete their placement in the scheduled time frame but are working in the field may be granted special permission to proceed into additional course work.

Placements must be completed within a specific time frame with the learner in placement a minimum of 24 hours per week to a maximum of 40 hours per week. The maximum number of weeks for any placement is 21 weeks and the extension of placements cannot impact upon Day program placements.

Special permission may be granted to additional learners who are employed in the Human Services field and are interested in taking up to 3 courses without prior admission to the CYW CE Program.
