

## **STUDENT GUIDELINES FOR APPRENTICESHIP PROGRAMS**

**All Apprenticeship Trainees are required to read the guidelines below.**

### **GOVERNMENT REGISTRATION (Employment Insurance E.I & Part 2 Travel Benefits while in Training)**

To ensure your acceptance into the program, it is necessary for you to register with both government agencies, whether or not you qualify for EI benefits. Failure to do so can result in discontinuance of your training. Representatives from the Ministry of Training, Colleges and Universities (MTCU) will be present during the first week of training to determine your eligibility for allowances. All Apprentices must be registered with the Ministry of Training, Colleges and Universities.

### **ATTENDANCE**

Maintaining good attendance in all classes is very important. You are required to report each day of absence before 10am, by contacting your instructor.

After 3 days of unexcused absence, Mohawk College will initiate discontinuance of training. Extenuating circumstances may be taken into consideration.

From time to time, instructors may find it necessary to schedule classes outside the regular timetable. Such classes are still considered part of the regular training program. Trainees who fail to attend, and who are not excused, will be marked absent and will be required to see the instructor before being admitted back into regular classes.

### **CHANGE OF ADDRESS**

Mohawk College, Service Canada (Employment Insurance), and MTCU (Apprenticeship Branch) should be notified immediately if you have a change of address. A form to amend Mohawk College records is available from the Student Services Staff in Room A111 at the Stoney Creek Campus, or can be completed online on your MyMohawk account.
