

How to read your Financial Account Summary

STEP 1 - Log into your MocoMotion Account

Under the "My Student Account" Tab, click on **My Financial Account Summary by Term**

This review summarizes all the charges and payments currently posted to your account by term.

Click on **More Account Options** for your complete financial summary.

STEP 2 - Review your Detail Codes

The **Detail Codes** represent internal processes generated.

The codes: **DFCH, DFPY, CDCH, CDPY, EMCH, EMPY, BDCH, BDPY** will always net to zero, and when subtracted from your overall totals, will show your true charges and payments. These are neither additional charges nor payments on your account.

Charges may include:

- Tuition and ancillary fees related to your courses
- Any type of College loan provided to you
- Deferral fees and applicable late fee charges
- Other miscellaneous charges as they relate to your activity

Payments may include:

- Cash/cheque/credit card and Internet bank payments
- Financial Assistance sources = OSAP, Awards, Scholarships and Bursaries
- Payments made by a Sponsor (TPPY)

STEP 3 - Review your Term Balance

If your account balance is **ZERO**

You currently do not have any amounts owing or available to you. If you still have to register for an upcoming semester, you are required to make the necessary payment. Refer to your fee statement, sent to your Mohawk College email account, for the semester fees owing.

OR

If there is **any amount** showing as your Term Balance:

You **OWE** Mohawk College this amount.

For due dates, please refer to your fee statement or the important dates on the Academic Calendar.

Term Balance: \$1,928.20

OR

If your account balance is **NEGATIVE (-)**:

You have money available in your student account to be applied to tuition and ancillary fees when you register for future Postsecondary and/or Continuing Education courses.

Term Balance: - \$1,928.20
