2027-2028 Viewbook

Industry-Led Learning

At Mohawk College, education goes beyond the classroom; it's about gaining skills that open doors. Whether you see yourself building, caring, leading or creating, our hands-on programs help get you career-ready. With strong industry connections and workplace experience, you'll graduate prepared to launch your career.

Hamilton is situated on the traditional territory of the Haudenosaunee and Anishinaabe peoples. As part of our commitment to truth and reconciliation, Mohawk College is integrating Indigenous ways of knowing across all areas of college life. Our goal is to ensure every student and staff member develops a deep understanding of Indigenous cultures and histories, and understands their own personal responsibility to reconciliation with the land and Indigenous communities.

Why Mohawk College?

Career-focused

1,200+

employers in our network.

Nearly **50%**

of our programs have a co-op or placement opportunity.

Sustainable

13 years (in a row)

recognized as one of Canada's Greenest Employers.

665,582 kWh

of renewable energy generated by the college annually, enough to power 70 homes for a year.

Student-centred

$4.5 million+

in scholarships and bursaries supported students in the 2025–2026 academic year.

4,750

tutoring appointments in the last academic year.

Discover Hamilton

Home to four Mohawk College campuses, Hamilton is known for its unique blend of downtown energy, community charm and natural beauty. Nestled between Lake Ontario and the Niagara Escarpment, the city offers endless hiking trails, scenic parks and stunning waterfalls. Hamilton's growing food, culture and music scenes make it an exciting place to live and learn.

Step inside our campuses

Take an immersive 3D walk-through of our campuses and see where industry-led learning happens.

Over
30 programs include a clinical or field placement.

99% of programs offer at least one form of experiential learning.

21 co-op programs to choose from.

Gain hands-on experience

At Mohawk College, learning goes beyond the classroom. Through experiential learning you'll gain the skills, experience and industry connections to launch and grow your career.

Co-op: Acquire paid industry experience while earning an average of $10,000 per work term.

Applied research: Participate in research that solves real-world challenges with practical solutions.

Field Placement: Gain hands-on practical program-related experience in a workplace setting.

Practicum/Clinical: Accumulate mandatory work hours required for professional licensing or certification.

Simulations and labs: Experience realistic, scenario-based learning through both labs and physical and virtual simulations.

The Career Centre: Access resources and networking events to help you get a head start on your career.

Experiential Learning: Discover our 15 forms of hands-on learning.

mohawkcollege.ca/Experiential-Learning

1,470 students recognized for community engagement through Co-Curricular Record (CCR) experiences.*

*Including volunteering, campus employment, student clubs, workshops and awards.

100+ MSA facilitated events across Mohawk's campuses in 2025-2026.

Your student experience

Build friendships, make memories and discover new ways to be part of college life.

Go to a campus event: Enjoy free events across campus, from trivia and movie nights to workshops and celebrations. Meet new people, have fun and make the most of your Mohawk experience.

Join a student club or community: Connect with students who share your interests or discover something new. Build friendships and get involved in campus life.

Become a peer tutor: Help other students while strengthening your own learning. Build confidence, leadership and communication skills.

Volunteer on campus: Get involved, give back and make a difference in the Mohawk community. Gain valuable experience while building your résumé and network.

Develop your leadership skills: Take part in leadership opportunities, workshops and student programs across campus. Build confidence, gain experience and make a lasting impact.

Get involved with the Mohawk Students' Association (MSA): Join clubs, attend events, explore leadership opportunities or run in an MSA election to help shape the student experience.

Get the most out of your time at Mohawk College!
Explore all the ways you can get involved.

mohawkcollege.ca/Student-Life

1st Canadian college to offer Lacrosse Sixes, bringing an innovative, Olympic-bound sport to our student athletes.

45 Mountaineers recognized with an OCAA All-Academic Award for the 2025-2026 academic year.

Free access to the athletic centres for full-time students.

Play like a Mountaineer

Join the Mohawk Mountaineers for fun, fitness and friendship. It's your jump start to an active college experience.

Varsity

Join one of the Mountaineers' 10 high-performance sports teams and compete in leagues and tournaments across a variety of sports, including basketball, volleyball, soccer, lacrosse sixes and more. Represent your college, build lifelong bonds with teammates and develop the leadership, discipline and determination needed for success on and off the field.

Recreation

Stay social and active with extramural and intramural sports. Extramural sports are perfect for those looking for a competitive feel without the commitment needed at the varsity level. If a more relaxed, casual competition is more your style, intramural is a great option.

Stay active at our fitness centres

The Mohawk College fitness centres are your go-to spots for staying fit and active on campus. Equipped with modern machines, free weights and dedicated workout spaces, they're perfect for every fitness level. Fitness centres are located at both Fennell and Stoney Creek campuses.

MOHAWK MOUNTAINEERS

Discover all the ways you can play.

MohawkMountaineers.com

12% higher grades when students participated in Peer Assisted Study Sessions (PASS).

28:1 average student to teacher ratio.

Your campus support system

From orientation to graduation, Mohawk College offers services and activities to help you get the most out of your education.

Accessible Learning Services

Get the academic support you need to succeed. We offer accommodations, assistive technology and personalized plans to help students with disabilities or learning differences reach their goals with confidence.

Health & Wellness Centre

Access supports for mental and physical health, including counselling, medical care and wellness programs to help you thrive academically and personally.

Learning Support Centre

Free tutoring for writing, math, study skills and most first-year courses. Book appointments, join Peer Assisted Study Sessions (PASS) or drop in anytime!

Find your home away from home

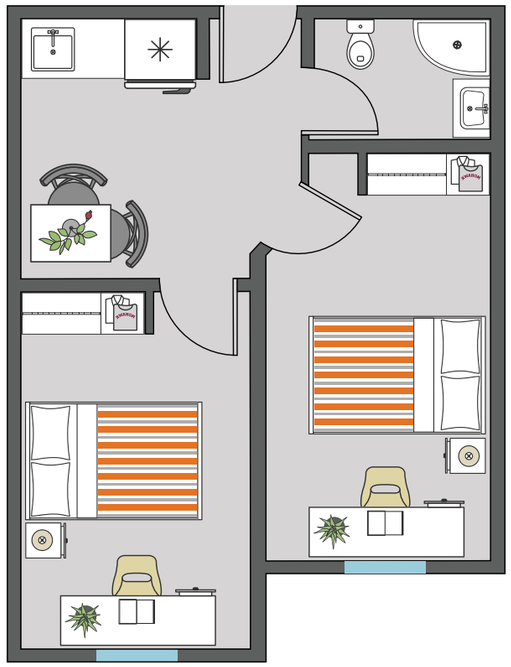

Settle into student life with on-campus and off-campus housing options that offer comfort, community and peace of mind.

Live steps from class

Located on Fennell Campus, our residence offers a fully-furnished suite with two private bedrooms and a shared kitchenette and bathroom. You'll also have access to study and social spaces, laundry facilities and an on-site restaurant.

Explore off-campus living

Prefer to live off-campus? We've got you covered with online resources, housing listings and renter support services. Whether you're commuting from home or renting nearby, we'll help you find the housing option that's right for you.

On-campus or off? Explore your options and find what fits you best.

Get help paying for college

Awards, scholarships and bursaries — one application to rule them all!

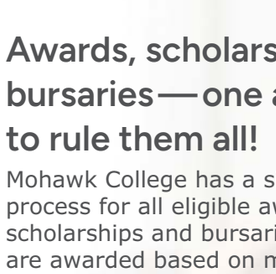

Mohawk College has a single application process for all eligible awards, scholarships and bursaries. Scholarships are awarded based on merit, while bursaries are provided based on financial need. Both are available each term. Students in full-time studies must reapply each term to be considered.

mohawkcollege.ca/Awards

Grants and loans

The Ontario Student Assistance Program (OSAP) helps students pay for college through grants (no repayment) and loans (repayment required). When you apply, you're considered for both. How much you get depends on your financial need, family situation and course load.

Adrian's life-changing scholarship

"This $40,000 award became the green light I needed to go all in on my trade."

How to apply

1 Submit your application

Apply at **ontariocolleges.ca** (or OCAS IAS for international students). Remember to check deadlines and requirements first. We're here to help if you have questions!

2 Accept your offer

Congratulations! Log in to **ontariocolleges.ca**, view your offers, and confirm your Mohawk College program. If your offer has conditions, you must meet them to register for classes.

3 Register

Secure your spot with a $250 deposit, choose your timetable on MyMohawk, and complete your Assessments for Success if needed.
