

About this Document

This document represents a current assessment of this student's strengths and challenges and is offered to support communication between the student and his/her placement supervisors.

The student has a documented disability and is receiving support and accommodations through Accessible Learning Services at Mohawk College.

This information is offered in an attempt to increase awareness of the student's individual needs in support of the student's success.

Students with disabilities are expected to accomplish core competencies of their programs and meet placement requirements.

Strengths

Strengths that I bring to placement:

Challenges, Strategies and **Suggested** Accommodations

Challenges	Compensating Strategies	Suggested Accommodations
Challenges I may face on placement:	Strategies I use to compensate for my challenges:	Suggested Accommodations that may help me meet my placement objectives:

Note

This form has been completed by the student with the support of his/her Case Manager in consultation with his/her Academic School personnel. It is recommended that the student share this information as appropriate.

This document provides the basis for a discussion regarding accommodations. The duty to provide placement accommodations is mutually agreed upon between the student and the placement. Placements are encouraged to contribute to the suggested accommodations.
