

## COMMUNITY REPORT

This research project is funded by the Social Sciences and Humanities Research Council of Canada.

" I was thinking about postsecondary for a while. I was successful with the course I took, so I decided to try and go to college and now

**I HAVE BEEN  
ACCEPTED TO  
MOHAWK."**

Course graduation rate for City School students from 2015-2017 is **65%**.

**50%** of students who completed a City School Course, report feeling better off a year later.

Through City School, **232** Hamilton residents have tried college for free to date.

**8** Former City School students enrolled in postsecondary programs at Mohawk in September 2017.

**85%** said the experience was good.

**70%** of City School students have indicated they have, or plan to enroll in postsecondary.
