**General Description of Duties:**

At Scarborough and Rouge Hospital (SRH), the patient experience comes first. With three hospital sites (Birchmount, General and Centenary) and five satellite sites, SRH provides a broad spectrum of health services to one of the most diverse communities in Canada.

Created through a merger of The Scarborough Hospital's Birchmount and General sites and Rouge Valley Health System's Centenary site in December 2016, SRH is committed to delivering the highest quality patient- and family-centred care, with a focus on enhancing access to services for the Scarborough community.

**Registered Nurse – Birthing Centre**

Scarborough and Rouge Hospital, Centenary site

**2 Full Time positions**

Reporting to the Manager of the Birthing Centre, the successful candidate will be responsible for assessing, planning implementation and evaluating nursing care and practice activities in a multidisciplinary family centered care environment. Your skills will accommodate rotation through Labour and Delivery and Post Partum.

**Skills and Experience Required:**

- Current certification with the College of Nurses of Ontario
- Competent to perform CPR at a Basic Cardiac Life Support level
- Current Certificate in Neo-natal Resuscitation (HSFO, NRP)
- Health Assessment course or equivalent experience
- Basic Fetal Monitoring Course

- Breastfeeding Course or recent experience in this area
- Minimum 2 years current family centered labour and delivery experience
- Minimum 1 year current experience in family centered maternal/newborn nursing
- Certificate courses in material/newborn care, neonatal assessment
- Evidence of sound organizational and prioritization skills with the ability to work well in stressful situations
- Excellent communication, documentation, and interpersonal skills with the ability to work well with patients, families, all levels of staff and the community
- Demonstrates an understanding of and commitment to Rouge Valley's comprehensive safety programs and practices including staff safety, patient safety, environmental safety and participates in regular in-service education in this area.
- Demonstrates a commitment to customer service when dealing with patients, colleagues, volunteers and other members of the community and public.
- Exposure to Lean principles, an understanding of methodologies and tools and a commitment to the use of these in support of providing the best healthcare experience possible to our patients
- Ability to work well independently and to exercise sound judgement
- Ability to perform the essential duties of the position
- Demonstrated pattern of good attendance and work record
