General Description of Duties:

Adventureworks! Associates is hiring a team of energetic facilitators to deliver quality adventure programs to our school, youth, and community-focused clients. Program facilitators will work directly with our senior program management team to prepare, deliver, and debrief adventure experiences including day and overnight programs and front-country expeditions.

Responsibilities

- Primary duties include facilitating team building, leadership, and community development programs for schools, youth, and community-focused organizations
- Manage risk and provide effective leadership in a variety of outdoor and adventure activities such as low and high element challenge courses, rock climbing, group initiative tasks, evening activities, and outdoor living skills
- Deliver programs at a variety of locations in Ontario including The Adventure Learning Center at Canterbury Hills (Ancaster), Crieff Hills Community (Puslinch), Norval Outdoor School (Georgetown), Rattlesnake Point Conservation Area (Milton), Hamilton and Halton Region schools, and more. Facilitators must have transportation means that allows them to arrive at the program delivery location.
- Provide timely and accurate reporting on programming and adverse events
- Assist with housekeeping and hospitality tasks as needed
- Help ensure the client experience is positive

Skills and Experience Required:

Certifications and Qualifications

- University degree or college diploma (or actively enrolled)
- Standard First Aid and CPR required. Wilderness Advanced First Aid or Wilderness First Responder preferred.
- Level 1 Challenge Course Practitioner/ARCI (required), or Level 2 Challenge Course Practitioner/RCI (preferred) – this position provides opportunities to attend one of our certification courses if necessary
- Current and clear criminal Records Check with Vulnerable Sector search (must be obtained prior to employment)

Experience

Preference will be given to candidates who:

- Commitment to the mission and values of Adventureworks! Associates Inc.
- Depth knowledge of facilitating programs and outdoor experiences with groups.
- A deep “bag of tricks” of activities.
- A sense of humour, playful spirit, compassion, creativity, and patience.
- Experience teaching outdoor top-rope rock climbing and outdoor skills is preferred
- Experience working with school, and adult learning groups is considered an asset
