General Description of Duties:
Windsor Heart Institute is seeking a highly motivated and dedicated Cardiac Sonographer/Echo Technologist to join our team! We are a fast-paced, rapidly growing Cardiology Institute in Windsor, Ontario.

We perform advanced echocardiography including speckled tracking/strain imaging, contrast echocardiography and stress echocardiography.

Requirements:
Ability to perform adult echocardiography. Additional skills or willingness to learn contrast, stress echocardiography and insertion of IV lines independently are considered strong assets.

Competitive Compensation Package.

We are an equal opportunity employer and value diversity at our company. We do not discriminate on the basis of race, religion, colour, national origin, gender, sexual orientation, age, marital status, veteran status or disability status.

Skills and Experience Required:
1 year experience
Successful completion of a diagnostic cardiac sonography program from an accredited institution
Registration with College of Medical Radiation Technologist
How to Apply:
Please email your resume to Lisa Landry, Executive Director of Operations: llandry@windsorheart.org
