POSITION TITLE: Automation and Manufacturing Technician

Employment Type (FT, PT, Contract): FT
Rate of Pay:
Job Location: Dundas, Ontario
Hours of Work: 84 hrs bi-weekly
Start Date: ASAP
Application Deadline:

COMPANY NAME: Adventec Manufacturing
Street Address: 55 Innovation Drive
Phone: 289 895 7909
Fax:
Email: snavaretnam@adventec.com
Website: www.adventec.com

General Description of Duties:
Adventec supplies plastic injection and insert molded products to the automotive industry. Our factory is located in the Hamilton-Dundas area where we manufacture plastic and metal components for various parts of a vehicle. We do our own metal stamping, die making, and mold maintenance. Our production lines run on advanced technology with the latest automation and robotics. We are continuously growing our company and employees through constant innovation and high regard for quality.

A successful production technician at Adventec is a quick learner, like to get their hands dirty and solve problems. They must have exceptional attention to detail and strong ability to communicate and work as a team. A production technician is energetic, has a passion for challenges and thrives in a fast paced environment. Our technical services teams comprises the best of the best in the industry. We are currently hiring Production Technicians to ensure our processes run smoothly. This role involves material handling, correctly identifying products, interacting with automation and molding machines and quality control tools.

About you:
You are curious, smart, ambitious and passionate individual looking to make an impact within a workplace that is challenging, diverse and offers you room to grow. If this sounds like you we would love to have you!

Skills and Experience Required:
• Desire to learn
• Hands on
• Strong work ethic
• Positive attitude
• Must be able to work 12 hour rotating continental shifts

How to Apply:
Please email your resume to Sinthu Navaretnam at snavaretnam@adventec.com
