General Description of Duties:
Who we are:

Tutor Doctor is a tutoring company who provides one-to-one individualized instruction in the home and or online through our award winning online platform. You would never be in the home alone, we are not a babysitting service and all families are vetted and met with before you enter the home. We work with students of all ages; whether the student is an elementary student with a learning disability or a teen requiring advanced instruction; we offer customized programs tailored to individual abilities and needs. The majority of students we support are in grades 1 through 12.

ABOUT THIS POSITION:

We are seeking tutors who are knowledgeable and qualified to tutor Grade 9-12 Academic / University Stream Courses in our 1-on-1 environment. This is a part-time independent contract position, we provide you with the details of this unique position with your job offer. We offer students based on tutor qualifications and teaching style. Our tutors choose which students to accept and determine their own weekly schedule. Tutors are matched to students based on qualifications, subject/grade expertise, and availability.

Tutors who are successfully contracted will be required to submit a vulnerable person's criminal background check and qualifications before they can begin working with students. We offer an orientation, access to resources, and ongoing support.

Tutor Doctor is looking for positive and enthusiastic tutors who specialize in Math/English/Science and upper-year courses, as well as elementary level tutoring and specialty tutors to join our Tutoring team!
We have a special need for Grade 12 Data Management, Grade 11U Functions Grade 11/12U Math tutor, with knowledge of trigonometry, exponential functions, discrete functions, statistics, calculus, and vectors.

Elementary Specialists, who are able to work with young students, grades 1-8, helping them with math or reading programs, breakdown concepts and help review their lessons from school. Review their homework and teach them how to study and prepare for tests, quizzes, and assignments.

Grade 11/12 Physics tutor, with extensive knowledge of kinematics, dynamics, electric and magnetic fields, quantum mechanics, special relativity, forces, electricity and magnetism, types of energy (ie. Kinetic, nuclear, etc.) as well as sound and waves. Grade 12U Chemistry Tutor. Must have knowledge of organic chemistry, properties of matter, energy changes and rates of reaction, electrochemistry, chemical systems, and equilibrium.

Grade 11/12U Biology tutor with knowledge of cell and respiratory systems, circulatory systems, body systems, and genetics.

Grade 9-12 French Tutor. Must have extensive experience conjugating regular and irregular verbs. Extensive knowledge of all tenses, especially Futur Simple, Passe Compose, and Passe Anterieur. Be able to compose complex sentences in French. Be able to practice conversational French with the student, and correct their spoken French.

THE TUTOR DOCTOR ADVANTAGE

- Our marketing and referral network provide a steady stream of available students.
- Select your students and tutoring times to fit your ideal schedule.
- We ensure you are informed and prepared: receive a detailed profile for each student before tutoring starts.
- Every family is committed to a tutoring program. You can expect a consistent schedule.
- Clients pre-pay directly to Tutor Doctor and our simplified invoice system makes getting paid for your work quickly, easy, and reliable.
- We set our tutors up for success by providing high-quality resources and support.

Skills and Experience Required:
We are looking for people with previous tutoring experience, volunteer tutoring experience. We are looking for knowledgeable, passionate, patient, committed and people willing to make a difference in a students academic career.

How to Apply:
