

## **FREE SPEECH ANNUAL REPORT – SEPTEMBER 1, 2020<sup>1</sup>**

### **Institutional Policy**

Has your institution amended its free speech policy (or policy framework) since the time of your 2019 report? If so, please explain the reason for the change and provide the link to its location on your institutional website.

No.

Where are members of the institutional community (or guests) directed when there is a free speech related question or complaint about an event on campus? Please provide contact information.

Questions or complaints are directed to the office of the General Counsel and Corporate Secretary.

What is your institution's policy on holding events where there are security concerns? To your knowledge, were there any instances where a non-curricular event did not proceed due to security concerns or their related costs?

Mohawk College reserves the right to reasonably regulate the time, place and manner of freedom of expression to ensure that it does not disrupt normal college operations and ordinary college activities or endanger the safety of others. In its discretion, Mohawk College may require security to ensure the personal safety of students, staff, visitors and guests.

To the best of our knowledge, one event was rescheduled from a time when security costs were required to a time when they were not required.
