EXPENSES

Complete this section with details of your educational expenses for a 4-month study period. Enter a final 4-month amount that will reflect your expenses per each category. Your final totals must be rounded to the nearest dollar value.

***Note: Amounts will be adjusted based on the Ministry guideline of allowable educational expenses.**

If there is no amount available in any of the category below, make sure it is indicated by entering "0" (zero). Be sure to complete all areas correctly.

***Students must provide documentation for confirmation of expenses if requested.**

Consideration for awards will be based on financial need.

Expense= Monthly Payment x4 months of a semester for Final Expense Total (used for online submission) This field will be automatically populated on the form. You cannot enter it manually.
