Thank you for your ongoing support of and participation in the Mohawk College Allied Health programs. As identified and discussed, we are providing each of you the opportunity to provide feedback to the program on the clinical course and experiences. As one of the program stakeholders, your feedback is required as part of the program quality assurance process.

Please take 5 minutes to provide your confidential feedback.

Please remember to click the “SUBMIT” button after you complete your site experience survey.

Please click on the “NEXT” button below to complete your feedback.

*Supported web browsers for this survey include: Internet Explorer 5.0+, Mozilla Firefox 1.5+, Apple Safari 2.0+, Google Chrome.

CONFIDENTIALITY NOTICE: This transmission may contain legally privileged and confidential information, and is intended only for the use of the individual or entity invited. If you are not the intended recipient, you are hereby notified that any dissemination, disclosure, distribution or copying of this transmission is strictly prohibited. If you have received this communication in error, please promptly notify the sender. Thank you.

PRIVACY POLICY: This collection of personal information is authorized by section 2(2) of the Ontario Colleges of Applied Arts and Technology Act. The principal purpose of the survey collection is usage for statistical and research purposes by the college and as part of day to day college operation. Questions about this collection may be directed to Helen Sheridan, Corporate Research Analyst, Mohawk Institutional Research (Helen.sheridan@mohawkcollege.ca).

1. Please rate the following statements based on your overall experience during the clinical/placement period that just ended. Please note that if you had more than one student reporting to you, please provide a generalized response.

   (Scale: 1-strongly disagree, 2-disagree, 3-agree, 4-strongly agree, Not Applicable)
   
   a) I had enough information about the program objectives, student’s learning needs, and my responsibilities during the student’s placement (as outlined in the clinical manual).
   
   b) The communication by the Mohawk College clinical liaison was appropriate.
   
   c) The Mohawk College liaison makes themselves routinely available to provide information and assistance.
   
   d) Overall, the student at my clinical site was well prepared for this placement in terms of their knowledge.
   
   e) Overall, the student at my clinical site was well prepared for this placement in terms of their technical skills.
   
   f) Overall, the student at my clinical site was well prepared for this placement in terms of their professional behaviours.
   
   g) Overall, the student at my clinical site was well prepared for this placement in terms of their communication abilities.
   
   h) The evaluation tool(s) used for this clinical placement was effective in assessing the student’s performance.

2. What did you like most about this clinical practicum? (open-ended)
