Student Feedback on Clinical Site Experience (PSW)

Name of your Clinical/Practicum Site: (open-ended)

Clinical Faculty Feedback
(Scale: 1-strongly disagree, 2-disagree, 3-agree, 4-strongly agree, Not Applicable)

1. The clinical faculty provides/arranges an orientation to the site.
2. The clinical faculty explains concepts and ideas clearly.
3. The clinical faculty creates a positive learning environment.
4. The clinical faculty responds to questions, comments, and/or e-mails in a way that helps me learn (48 hours).
5. The clinical faculty provides ongoing feedback to me about meeting my clinical objectives.
6. The clinical faculty treats me with respect.
7. The clinical faculty supports/organizes /provides opportunities for me to meet my learning objectives.
8. The clinical faculty makes themselves routinely available to provide instruction, information and assistance.
9. The clinical faculty fully utilizes the scheduled clinical hours of the clinical time per week.
10. The clinical faculty clearly identified the course requirements including written assignments at the beginning of the clinical experience.
11. The clinical faculty clearly adhered to the course requirements including written assignments at the beginning of the clinical experience.
12. Additional comments: What did the clinical faculty do well and/or what could be improved? (open-ended)

Course Feedback
(Scale: 1-strongly disagree, 2-disagree, 3-agree, 4-strongly agree, Not Applicable)

13. The course goals and expectations were communicated for this course.
14. The materials available (manual, courseware, equipment, etc.) in this course are effective to achieving learning outcomes.
15. The activities and resources (content, discussions, quizzes, self-assessments, etc.) in this course helped me to learn.
16. Assessments (journals, self-evaluations, case studies, etc.) in this course helped to further my understanding of the field.
17. The activities and assignments provided options for me to demonstrate my learning.
18. eLearn/Avenue was a useful tool in helping me to achieve my learning outcomes.
19. The criteria for grading assessments (content, discussions, quizzes, self-assessments, etc.) are made clear in advance.
20. Overall, this course prepared me for the site (clinical/lab/placement etc.) experience.
21. Additional comments: What did you like most and/or like least about this course? (open-ended)

Agency Specific Feedback

22. The clinical site provided a safe working environment.
23. The staff provided a supportive and positive learning environment.
24. The amount of hands-on experience available at the clinical site was sufficient to meet course requirements.
25. Overall, this was an effective site (clinical/lab/placement etc.) experience.
