OVERVIEW & ELIGIBILITY REQUIREMENTS

- **PGWP** is an open work permit for which international students may apply upon completion of their program of study at Mohawk College.
- You must submit your completed PGWP application within **180 days** from the day the college issues your final marks or from the first date you receive written confirmation of graduation from the Designated Learning Institution (DLI), whichever comes first. It's a "**one lifetime permit**", meaning that it is a one-time opportunity to apply for this permit.
- You may apply from within Canada if you hold a **valid temporary status (e.g.: student status or visitor)** or from outside Canada if you have left Canada.
- You must have graduated from an eligible DLI (Mohawk College). You must have maintained **full-time student status** in Canada during each academic session AND you must have received a **transcript** and an **official letter** from the eligible DLI confirming that you have met the requirements to complete the study program.
- You must have completed an academic program at Mohawk College that is at least **8 months** in duration leading to a degree, diploma or certificate.

POST - GRADUATION WORK PERMIT PROGRAM VALIDITY

A post-graduation work permit may be issued based on the length of the study program for a minimum of 8 months up to a maximum of 3 years.

PROGRAM DURATION	PGWP VALIDITY
Program is 8 months (2 consecutive semesters)	1 year PGWP typically
Program is at least 8 months but less than 2 years	PGWP validity should coincide with the length of the program. (e.g.: 16 months program = 16 months of PGWP)
Program is 2 years length or longer	PGWP validity should be up to 3 years
The student completed more than one program from an eligible DLI within 2 years	PGWP combines the length of each program.

Note 1: Each of the programs completed must be at least 8 months in length.

Note 2: The validity period of your PGWP cannot exceed the validity of your passport. You should ensure that the validity of your passport exceeds the amount of time of PGWP you're requesting in your application.

More info: <https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/work/after-graduation/about.html>

MEDICAL EXAM FOR SOME APPLICANTS

- If you are planning to look for a job in healthcare and childcare fields, you must undergo **Immigration Medical Exam (IME)** with a doctor in the list of [Panel Physicians](#) accredited with IRCC. Please, be aware that your family doctor can't do a medical exam for immigration purposes.
- When you answer the "Find out if you are eligible" questions in your IRCC secure account, there will be a question about your intention to work in the healthcare or childcare fields. You must answer that question according to your situation. Specification at **pages 29 and 30** of this guide.
- **Getting an exam before you submit your application:** you can do the Immigration Medical Exam upfront, before submitting your PGWP application. In this case the panel physician clinic will give you the IME receipt after the medical exam and you can include a scanned copy in the "client information" section of your request.
- **Getting an exam after you submit your application:** in this case IRCC will require you to do Immigration Medical Exam, after you have submitted your PGWP application. IRCC will send you instructions on how to get the medical exam. You must undergo your medical exam within 30 days of receiving the IRCC instructions. If you don't follow these instructions, your application may be refused.
