SAMPLE JOB POSTING

ABC Company
Hamilton, ON

AutoCAD Technician

ABC Company is one of the world's leading professional engineering services firms. We're one of the Top 100 Sustainable Companies in the World (and among the Top 10 in Canada), and we earned Platinum Elite Recognition through our participation in more than half of Canada's Top 100 Infrastructure Projects.

ABC Company is currently seeking an AutoCAD Architectural Technician to join our team focused on sustainability and green initiatives. Reporting to the Department Manager, this position will be responsible to work with engineer project managers to create permit construction drawings.

RESPONSIBILITIES
- Work with engineer project managers to create permit construction drawings utilizing AutoCAD for engineering and outside plant departments;
- Attend the meetings of the design team;
- Perform all other related tasks that will help complete the project;
- Other duties as assigned.

QUALIFICATIONS
- College diploma in 3 year Architectural Technology Program
- Proficient with the software AutoCad
- Experience in engineering consulting will be considered an asset
- Good initiative, attention to detail
- Ability to work in a team environment
- Excellent verbal and written communication skills

Offers of employment for safety-sensitive positions involving fieldwork are contingent upon candidates being able to perform key physical tasks of the job as described in the job posting and interview. This may include the ability to work in a variety of environmental conditions, such as remote or isolated areas, working alone, and in inclement weather (within safe and reasonable limits).
