

CONGRATULATIONS 2020 GRADUATES

THE CHARGE TO THE GRADUATES

Graduates, today you are admitted into the fellowship of graduates of Ontario Colleges, an honour bestowed only upon those who have met high standards of conduct and learning.

In the name of Mohawk College, therefore I hereby charge you:

- To safeguard the dignity and ethics of our fellowship;
- To cultivate the spirit of inquiry and innovation;
- To celebrate your role as a local and global citizen;
- To maintain, through study, the fresh viewpoint expected in an age of rapid advancement; and
- To contribute, in all these ways, to society, in order that the dignity of humankind, through you, may be constantly reaffirmed.

**SCIENTIA OPUS OMNIUM.
KNOWLEDGE, THE WORK OF ALL.**

CONGRATULATIONS 2020 GRADUATES

Congratulations to the graduating class of 2020 from all of us at Mohawk College. Like your families, we are proud of all that you have accomplished.

This is a major milestone in your life. Getting to this moment took resilience, focus and hard work. This has been especially true for you this year. The COVID-19 pandemic is the biggest obstacle Mohawk College has ever faced in our history. We will get through this. And how we get through this will help to define us as a college.

And how you get through this crisis will help to define you as well.

We are facing a lot of changes in our lives at this time, but with change comes opportunity. Opportunities come more frequently out of change than they do out of the status quo.

Take all the lessons you learned and the experiences you gained while at Mohawk and lean into the changes. If you lean into change, it will help you manage through the uncertainties of life.

I am sure this is not how you expected to mark your graduation from college. It is not the way we wanted it either. We would rather congratulate you in person, and we still plan to do so, but at a time when it is safe for us to gather again.

Until then, it was a privilege to educate and serve you as a student and we cannot wait to see what you will accomplish next.

Regards,

Mohawk College – Graduating Class of 2020

On behalf of my Council colleagues and the City of Hamilton I'd like to extend my sincere congratulations to the Mohawk College graduating classes of 2020.

Congratulations to the Class of 2020. I encourage all of you to leave your mark, help build up your community and become responsible citizens who care about, and positively impact our City.

Yours Sincerely,

A handwritten signature in black ink that reads "Fred Eisenberger".

Fred Eisenberger
Mayor

Congratulations Class of 2020!

Welcome to the Mohawk College Alumni Association.

This academic semester coincided with extraordinary circumstances that affected not only our Mohawk community, but our country, and the rest of the world. Having to respond quickly and deftly to the COVID-19 crisis, the college moved courses for all programs to an online learning format to accommodate the continuation of the semester. As a result, you were faced with the challenge of having to be highly adaptive on short notice. You rose to the challenge and demonstrated your resilience.

As a graduate of a full-time program at Mohawk College, you are now a member of the Mohawk College Alumni Association—today, tomorrow and for life.

Established in 1985 to support graduates and the college, the Alumni Association acts as your direct link to former classmates, instructors and a network of more than 125,000 future ready alumni. There are also a number of great benefits available to you, including:

Career supports: Access career counselling, job postings and interview preparation through Student and Graduate Employment Services.

Perks: Exclusive for Mohawk Alumni members, use our new app to get discounts on insurance, accommodations, entertainment, shopping and more. Learn more about the Perks app at mohawk.alumni-perks.com.

Stay connected: Keep in touch with your Mohawk community through alumni events and workshops, as well as volunteer and guest speaker opportunities.

We invite you to keep up to date with college news and events by following us on social media @MohawkAlumni or by reading our monthly InTouch digital newsletter and bi-annual InTouch magazine.

Every year we applaud our graduates for earning their credential, a feat that is by no means an easy one. In these particularly unique and challenging times, we would like to acknowledge the barriers you overcame to complete your final semester and graduate. We commend you for your determination and are honoured to celebrate your accomplishments with you.

Again, we welcome you, congratulate you and look forward to helping you maintain your connection with Mohawk College.

The Collegiate Bronze Medal is awarded annually to the student who achieves the highest overall average upon graduation from a diploma-level, post-secondary program. The program must have a minimum two-year, full-time duration. The recipient is selected from the graduating classes spanning an academic year.

On behalf of Her Excellency the Right Honorable Julie Payette, Governor General of Canada, the 2019-2020 Collegiate Bronze Medal is awarded to:

Andrew Wade

Mohawk College Graduate Medal Winners

The Mohawk College Graduate Medals are awarded to one student per faculty who achieve academic distinction while maintaining honours standing, with no failures. The medals are presented annually to the full-time graduating student from a diploma-level postsecondary program with the highest grade point average of each faculty, as determined by the Registrar. The criteria for this award stipulate that it is issued on academic marks only.

Advertising students honoured in national, international competition

Mohawk teams swept the National Advertising Challenge student awards category in 2020.

The gold medal-winning entry was prepared by first year students, Jared Mason and Ethan Andrews, who won for their campaign “Used Trips”. Second-year Mohawk students Kailey Turner and Kristy Korevaar won Merit recognition for their entry “Sunwing Adventures”. The win netted Jared and Ethan a paid internship at one of Canada’s top agencies, FCB.

This is Mohawk Advertising’s seventh straight year winning gold at the NAC.

Mohawk Alumnus Kathy Lerette receives Premier's Award in Technology category

Mohawk College alumnus Kathy Lerette '97 was among eight college graduates recently honoured by the Ontario Government for contributing to the growth of Ontario's economy and improving lives.

Kathy, Senior Vice President, Business Transformation at Alectra Utilities, is a 2019 Mohawk College Distinguished Fellow and 2019 Alumni of Distinction. She is overseeing the largest merger ever in Canada's electrical utility sector, uses her impressive career to inspire other women and girls to create and chase dream jobs in the science, technology, engineering and math sectors. Throughout her 37-year career, she has been a pioneer in the male-dominated energy industry and as she has taken on progressively more challenging and important roles, she has worked tirelessly to see the ranks of women grow behind her. Kathy credits her Mohawk College education for giving her the technical foundation that has powered her career.

Launched in 1992 and administered by Colleges Ontario, the annual Premier's Awards recognizes college graduates from seven categories who have made outstanding social and economic contributions to society. There were two winners in the Health Sciences category for 2019.

ECE student creates online resource for young families while staying at home

Madison Ladd, in her final semester in Early Childhood Education, wanted to help parents support their young children during the COVID-19 crisis.

Madison created an online resource for families to follow along, with the goal of engaging and nurturing children's growth and development from one to six years old. "I decided to make a presentation outlining some fun ways to keep your family entertained while everyone is home together," she posted in comments with a Facebook video introduction.

Her tutorial, called "Let's Make the Best Out of this Difficult Time!", takes parents through a series of 10 fun activities for families to enjoy. In the final activity, Madison encourages everyone to take on the 30 Day Happiness Challenge.

New research validates potential economic impact of City School

City School by Mohawk College is well positioned to help the local community achieve more inclusive and sustainable economic growth and to improve people’s standards of living, according to a report by Deloitte Canada.

Deloitte confirmed that City School has been effective at removing barriers to postsecondary education by addressing material barriers such as finances as well as non-material barriers like experience and self-confidence. The study found that City School has been successful at mitigating the skills gap challenges facing many area businesses by partnering with employers and tailoring its training to meet industry needs. It also confirms that City School is helping to create stronger, healthier and more resilient communities by breaking the cycle of undereducation, unemployment and underemployment. And finally, the Deloitte report confirms that expanding the use of the City School training model could lead to more inclusive and sustainable economic growth, to the benefit of living standards for the greater community.

First launched in 2015, City School is an initiative created out of Mohawk College’s belief in the importance of expanding access to postsecondary education.

Mohawk Milestones

Mohawk named a top 10 research college in Canada

Mohawk College has been named the seventh top research college in the country, according to RESEARCH Infosource rankings announced in November 2019. Mohawk, with its IDEAWORKS applied research centre, was ranked 16th last year among Canada's top 50 research colleges and was 23rd on the national list in 2017. The current top-10 ranking reflects the college's strategic commitment to research and innovation over the past four years, as spelled out in our 2016 five-year strategic plan.

THE COLLEGE

Mohawk College has grown to be one of Canada's leading colleges. Mohawk's history began in 1947 with the establishment of the Provincial Institute of Textiles which was transformed into the Hamilton Institute of Technology (HIT) in 1957. Ten years later, in 1967, the HIT was incorporated as the newly established Mohawk College, one of 24 Ontario colleges.

Today, Mohawk College proudly delivers a quality education and college experience to over 32,500 full-time, part-time, continuing education and apprenticeship students. Mohawk is the region's prime job creating engine, having transformed more than 125,000 students into highly skilled and future ready graduates who are driving tomorrow's opportunities.

THE LIRIPIPE

The liripipe is a European medieval symbol of academic achievement dating back to the 8th century. It marks the achievement of excellence according to each student's chosen program and symbolizes their membership into the international community of scholars.

O CANADA

O Canada!
Our home and native land!
True patriot love in all of us command.

With glowing hearts we see thee rise,
The True North strong and free!

From far and wide,
O Canada, we stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!

Car ton bras sait porter l'épée,
Il sait porter la croix!

Ton histoire est une épopée
Des plus brillants exploits.

Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.
