Guidelines for Prior Learning Assessment & Recognition (PLAR)

1. A candidate must earn a minimum 25% of credits as a registered student in a Mohawk College program. Candidates may obtain a maximum 75% credits through PLAR.
2. Earning credits through PLAR does not guarantee entry into a program of study. Candidates must comply with established admission procedures to be admitted to a program.
3. Students who have failed credit courses, or been unsuccessful in a previous challenge, do not qualify for PLAR assessment unless one year has lapsed and evidence is provided to demonstrate additional learning.
4. The Dean/Associate Dean has the discretion to deny a PLAR request for a failed course.
5. The assessment fee is non-refundable and must be paid in full prior to assessment.
6. The assessment process is determined by the academic area. The assessor may require a challenge exam, portfolio assessment, or both. Additional demonstration of learning may be requested at the assessor's discretion. The assessor may contact references to verify sources of documentation.
7. If learning fails to match the outcomes of a given course, a "UW" - Unofficial Withdrawal - will appear on the candidate's transcript. Assessors will make all reasonable efforts to transcribe credits through PLAR in the same way as the course. Where that is not possible, a "CR" - Credit - will be used.
8. Candidates should allow one academic term for evaluation and completion of PLAR credits.
9. The PLAR appeal process is available in the [Academic Appeals Policy](#).
10. The candidate certifies that submissions are authentic, accurate, and true. Falsified or misrepresented applications may be denied at the discretion of the academic area.

For more information please refer to the [PLAR Policy](#).
