On April 1, 2003, the Ontario Colleges of Applied Arts and Technology Act 2002 (replacing the Ministry of College and Universities Act) was proclaimed. To assist College Boards with these new responsibilities, twenty-three Boards established the Colleges' Compensation Committee, a voluntary consortium, to undertake research and provide guidelines and recommendations regarding changes to the terms and conditions of employment, including compensation, for College Presidents and Administrative Staff.

The President shall be eligible to earn a potential performance bonus of up to twenty (20) % of base salary for exceptional performance upon achieving the goals and objectives as mutually agreed between the President and the Board. Any such earnings are pensionable earnings.
