

Contact – Christine Boucher, Employment Advisor
Student and Graduate Employment
905 575-2373 chris.boucher@mohawkcollege.ca

1. What types of events are available for employers to attend?

a. Career Fair – partnership with Mohawk/McMaster/Redeemer/City of Hamilton
b. Hamilton Employment Crawl – partnership with Mohawk/McMaster/Redeemer/City of Hamilton. A bus tour that showcases Hamilton as a place to live, work and play
c. Meet and Greet Events for Students and Graduates and Speed Networking Events
d. Career Advice and a Slice – focused on providing International students with information on job search, what employers look for and promote opportunities
e. Lunch and Learn Opportunities
f. Part Time and Summer Job Fairs
g. Co-op Recruitment – a number of our programs are co-op and enjoy having guest speakers, job postings and we are happy to set interview rooms for you to interview our students on campus if that is convenient
h. Classroom and common hour guest speakers

2. Which programs participate in these events?

All of our programs are invited to attend the Career Fair, Part Time and Summer Job Fairs.
Meet and Greet Events are currently organized for Building and Construction Sciences (including Architecture, Civil, Transportation programs), Stoney Creek Programs including Construction, Plumbing, Millwrights, Industrial Electricians, HRAC, Welding and we are hoping to host a Meet and Greet for Environmental/Biotech and Mechanical students this coming year. Insurance and Financial Services departments organize industry nights.
Speed Networking Events – Motive Power, HRAC/Gas & Oil, Graphic Design, Human Services, Massage Therapy
Classroom and Common hour guest speakers – all program areas
Advisory Membership – we are always interested in having employers participate on our Advisory Committees to advise and provide input on program content

3. Approximate Dates of Events and Associated Costs

Connect to Career Fair – March 4, 2020 – date to be confirmed - cost approximately \$600 + HST https://www.connecttocareersjobfair.com/
Part Time and Summer Job Fairs 2019-2020 September 25 th 2019 4-6 pm, January 29, 2020 4-6 pm and March 18, 2020 - no cost
Part Time Job Fair IAHS for Health Science students – Fall TBA – PSW, Pharmacy dates in March 2020
Meet and Greet Events – <ul style="list-style-type: none"> • Building and Construction Sciences – October and February (approx.\$150) • Environmental/Biotech/Mechanical – tentatively being scheduled for /March (approx. \$200) • Meet the Grad Night at Stoney Creek – March 2020– Trades Programs – no cost • School of Human Services & School of Community Services – Meet and Greet Event – March – no cost • Insurance and Financial Industry Nights – March – no cost • Industry Night – March – no cost • Motive Power – April 2020 no cost • Justice Studies Programs January 22nd and 29th, 2020– no cost
Mini Recruitment Events – events will be added as needed
Computer Networking and Software Development – November 13, 2019 – no cost
Justice Studies Recruitment Event – March 2020– no cost

Lunch and Learn opportunities – we will arrange based on employers interest (can be any program area) and schedule it when they want to come in. We can have a brown bag lunch - FREE or if you wish, you can order pizza using a company credit card and we will supply refreshments for students
Guest Speakers – we firmly believe in having employers come in to talk about their companies, job opportunities and provide information on “what they look for”. This can be arranged during our common hours Tuesday from 12 – 1 at Stoney Creek and on Wednesdays from 12 – 1, and also class time if scheduling permits. This really assists students with career clarification and builds a stronger knowledge - free
Speed Networking is something we have implemented – we usually have 5-10 employers and students travel in groups from table to table to learn about what the employer does, hear about their pathway, talk about what they look for when they hire and after students have visited all employers we have 30-60 minutes for students to go back and speak to employers they were most interested in – this is a free event Program areas that currently have Speed Networking Sessions are HRAC/Gas & Oil, Graphic Design and Massage Therapy
Co-op Opportunities – attached is a copy of our Employer Services Guide so you can see our co-op programs and their stream.

4. Do you have a designated individual(s) whom we can contact to arrange registration with? If so, please provide contact details below. Please add additional names and details if required on a separate sheet.
