

Zero Carbon Ambassadors

Application Form

Zero Carbon Ambassadors are a group of student leaders working to help the Mohawk College community meet its zero carbon goal in the Joyce Centre for Partnership and Innovation. Zero Carbon Ambassadors will be responsible for leading student outreach activities to educate their peers and increase the sustainability of our campus.

Zero Carbon Ambassadors will receive training from the Joyce Centres' architects and Mohawk's sustainability staff. This training will provide student ambassadors with leading-edge knowledge about sustainable design.

Zero Carbon Ambassadors are:

- interested in sustainability
- able to commit at least two (2) hours of volunteer time each week from September 4 - December 20, 2018
- able to attend the Zero Carbon Training Workshop on August 16 from 6:30 - 8:30 p.m.

This program is open to all Mohawk College students.

Please fill out the following form and email it to sustainability@mohawkcollege.ca before August 10 at 5 p.m. Ambassadors will be contacted via email by August 13, 2018.
