

MOHAWK COLLEGE TRANSIT TERMINAL

Connected to our community.
Committed to sustainability.

Conveniently located outside J-Wing, the Mohawk College Transit Terminal is your ONE STOP transit destination!

1. What is the new Mohawk College Transit Terminal?

The Mohawk College Transit Terminal is a centralized hub of all transit stops at Mohawk College Fennell campus. All transit routes that currently serve the college will move to this new location.

2. When will the Mohawk College Transit Terminal officially open?

The new transit terminal will officially open on March 27th, 2016. As of this date the south entrance loop in C wing will no longer be an active transit platform.

3. Why is this a better option for students and staff?

All buses arriving to and leaving Mohawk College's Fennell campus will now be located all in one convenient designated location. This will alleviate the bus traffic on campus. Transfers between different bus routes will be closer and easier to make.

4. Which bus routes will use the Mohawk College Transit Terminal?

All buses that currently service the college will continue and use the new transit terminal, including:

- 20 A-line
- 21 Upper Kenilworth
- 33 Sanatorium
- 35 College

5. How many platforms/stops will there be?

The Terminal will have five platforms/stops; one platform/stop will be located on West 5th Street.

6. What platform/stop do I get my bus at?

1 Platform 1

- 20 A-Line Express - Southbound
- 21 Upper Kenilworth – Southbound

2 Platform 2

- 33 Sanatorium - Southbound

3 Platform 3

- 20 A-Line Express - Northbound
- 21 Upper Kenilworth – Northbound

4 Platform 4

- 33 Sanatorium – Northbound
- 35 College – Northbound

5 Platform 5 – West 5th Street

- 35 College – Southbound

7. Does this change my commute to campus?

This does not change your commute to campus; all bus routes will remain the same. The only difference is where the buses will pick you up/drop you off at the Fennell Campus.

8. How can I find out where/when the buses stop?

Visit hamilton.ca/hsr or call bus check at 905-527-4441.

9. What are some of the features of the Mohawk College Transit Terminal?

- modern, bright and safe
- large shelters with benches
- detailed signs at each platform/stop
- bike racks
- heaters for winter months

10. How does this help Mohawk connect to the Hamilton community?

This new facility will better integrate Mohawk College as part of the larger Hamilton transportation network.

11. What is Mohawk College doing to promote alternative transportation?

Mohawk College offers:

- Universal Transit Pass Program for all full-time students
- carpooling
- bicycle rentals
- car share program

Visit mohawkcollege.ca/sustainability to learn more.

12. Why is alternative transportation important to students at Mohawk?

Alternative transportation is a convenient and cost effective mode of transportation for students and staff that commute to the Fennell Campus. As part of Mohawk's strategic goals, using public transportation helps to increase access to campus by encouraging affordable and sustainable means of transportation.
