Step 1: Find out when you can select your timetable
You’ll select your timetable online in MyMohawk. Timetable selection dates vary by program and begin as early as Wednesday, August 8, 2018. Find the date and time that timetable selection begins for your program in MyMohawk on Wednesday, July 25, 2018.

Step 2: Select your timetable
Most programs have predefined courses each semester that are grouped together in timetable blocks. Most programs will have a choice of timetable blocks, however, if your program has only one timetable block, you are still required to select that block to complete your registration. You’ll also select elective courses at this time if they are required for your program.

Step 3: View your timetable
Confirm your selected timetable and review it before classes start as changes to timetables are sometimes necessary. To view your timetable log in to MyMohawk and select the ‘Academics’ link, then select the ‘View my timetable’ link under ‘Academic profile’. Once the Add/drop period begins, first semester students can go back to ‘Choose and change my timetable’ and add their communication course.

Congratulations! You’re now ready to begin your semester.

Did you know?
Students who have successfully taken a course at another postsecondary institution may be able to earn credit toward their Mohawk credential. Learn more at mohawkcollege.ca/exemptions.

Students who can demonstrate past learning through informal study, work and life experiences may receive course credit. Learn more at mohawkcollege.ca/plar.

Before you can select your timetable and register, you must provide your Visa approval, meet academic conditions, and one of the payment options listed on page 6 must be met.
