Before you can select your timetable and register, one of the payment options listed on page 6 must be met.

Step 1: Find out when you can select your timetable
You’ll select your timetable online in MyMohawk. Timetable selection dates vary by program and begin as early as Monday, April 8, 2019. Find the date and time that timetable selection begins for your program in MyMohawk on Monday, March 25, 2019. Select the ‘Registration’ tab, then select ‘Find out when to register online’ under the ‘Postsecondary students’ section.

Step 2: Select your timetable
Most programs have predefined courses each semester that are grouped together in timetable blocks. Most programs will have a choice of timetable blocks, however, if your program has only one timetable block, you are still required to select that block to complete your registration. You’ll also select elective courses at this time if they are required for your program. Be sure to complete your registration by clicking the ‘Submit to register’ button.

Step 3: View your timetable
To view your timetable, log in to MyMohawk and select the ‘Academics’ tab, then select the ‘View my timetable’ link under ‘Academic profile’ section. Review your timetable regularly before classes start as changes to timetables are sometimes necessary.

Congratulations! You’re now ready to begin your semester.
