At the Mo’ Money Financial Literacy Resource Centre, we offer workshops, seminars, and one-on-one appointments with our Money Coach. Start your semester with our “My Finances in Canada” workshop where we’ll talk about how to open and manage a bank account, how to get a job in Canada, and making the most of your money. Then, make an appointment to create your individualized plan to manage your money and minimize your stress so that you can focus on your education!

Select your timetable to register

Before you can select your timetable and register, you must provide your visa approval, meet academic conditions, and one of the payment options listed on page 6 must be met.

Step 1: Find the date and time to select your timetable
You select your timetable online in MyMohawk. Find the date and time that timetable selection begins for your program in MyMohawk on April 6, 2020. Timetable selection dates vary by program and begin as early as April 27, 2020.

Step 2: Select your timetable
Most programs have predefined courses each semester that are grouped together in timetable blocks. Most programs will have a choice of timetable blocks, however, if your program has only one timetable block, you are still required to select that block to complete your registration. You’ll also select elective courses at this time if they are required for your program.

Step 3: View your timetable
Confirm your selected timetable and review it before classes start as changes to timetables are sometimes necessary. To view your timetable, log in to MyMohawk and select the ‘Academics’ link, then select the ‘View my timetable’ link under ‘Academic profile’. Once the Add/drop period begins, first semester students can go back to ‘Choose and change my timetable’ and add their communication course.

Congratulations!
You’re now ready to begin your semester.
