We’re committed to sustainability

Become Future Ready at Mohawk

Mohawk is a leader among Ontario’s colleges. Deeply rooted in our community and the demands of the present, we have a global perspective that addresses the needs of the future.

We are transforming the way we deliver educational experience. As leaders in remote and virtual education, we will provide you with an exceptional learning experience, face-to-face, online, or a mix of both.

We strive to ensure an inclusive environment for everyone. Our focus is to create an environment that reflects all identities, where every student belongs, is welcomed and has a voice.

We have an impressive track record as a community leader. City School by Mohawk breaks down barriers to education by offering free college courses to Hamilton neighbourhoods.

We are leaders in experiential learning. Mohawk programs offer a wide range of hands-on, practical learning to prepare you for your future career, including co-op, applied research, placements and simulation.

We are inspiring students to be the sustainability leaders of tomorrow. As the first Ontario college to earn a STARS Gold Rating for sustainability, Mohawk is taking action to promote a sustainable lifestyle.

Majlinda Qarri

We have innovative faculty that reflect our core values. Our faculty are experts in their field and bring real-world experience to the learning environment. Majlinda Qarri, faculty member and researcher with Mohawk’s Energy & Power Innovation Centre, helps Canadian companies develop innovative energy solutions for the future.

We have an impressive track record as a community leader. City School by Mohawk breaks down barriers to education by offering free college courses to Hamilton neighbourhoods.

Once registered as a student, you are part of the Mohawk Students’ Association (MSA) – your student government, and built-in best friend on campus. Learn more at mohawkstudents.ca and follow the MSA at /MSAMohawk.

Students and learning are at the heart of all we do. From orientation to graduation, Mohawk offers services and activities to help you get the most out of your education, prepare you for your future career and make your college experience memorable.

As a Mohawk student and graduate, you’ll have options. ‘Pathways’ describe the route you can take to achieve your ultimate education and career goals. From a preparatory certificate to a diploma, a diploma to a graduate certificate or degree, we help you understand your options. You’ll find pathways maps and further educational opportunities on each program webpage.

Explore online learning with Continuing Education
Continuing Education at Mohawk allows you to take courses, or pursue a program, at a flexible pace that fits your life. Instructor-led online courses allow you to study at home or at work—wherever you like, whenever you like—within a predetermined time frame. Most courses do not require that you be online at a certain time of day or night, but that you are active in the course during the schedule. Explore Continuing Education courses and programs.

Plan for Success
We’ve joined forces with ten leading employers in the Hamilton Region to create the Future Ready Premium Employer Program, a new partnership designed to actively engage industry and community partners in the training of job-ready college graduates.

The initiative will provide Mohawk students with:

• New learning modules to support career development throughout your program of study
• Early exposure to significant employers in the region
• New experiential learning and applied research opportunities
• Opportunities to explore company-specific jobs prior to graduation
• Post-graduation job search advising and support

Our Future Ready Alumni
"My research led me to Mohawk because it had the best program for training electrical technicians."
Amanda
Technical Support Specialist, Gerrie Electric
Electrical Engineering Technician – Power ‘18

"I completed a co-op with the City of Hamilton as a student. It was this experience, along with my education, that enabled me to secure a full-time position with the City of Hamilton after graduation."
Lina
Lab Technician I, City of Hamilton
Biotechnology (Health) ‘19

Madison
Welder, Walter’s Group
Mechanical Techniques – welding and Fabrication ‘19

## Areas of Study
The following pages offer an overview of our wide variety of programs. We encourage you to visit the program webpage to read more about experiential learning opportunities, review the program of study, meet faculty, and more.

Wondering how long a program will take to complete? Different credentials require different amounts of time to complete and depend on many factors including co-op work terms, fast-track options where semesters are back-to-back with no semester break, and your pace of learning. You’ll find information about program length on each program’s web page.

Mohawk College, at its sole discretion, reserves the right to alter information, including but not limited to, modifying program availability, program length, campus locations, or curricula, or to adjust fees, admission requirements, policies or procedures at any time. Read more at mohawkcollege.ca/programs.

Applicants are encouraged to review program web pages for post-admission requirements, such as police checks, field placement/practical requirements and equipment purchases. Learn more about careers at mohawkcollege.ca/careertools. ☑️ competitive programs, see page 4 for details.

Areas of Study

The following pages offer an overview of our wide variety of programs. We encourage you to visit the program webpage to read more about experiential learning opportunities, review the program of study, meet faculty, and more.

Wondering how long a program will take to complete?

Different credentials require different amounts of time to complete and depend on many factors including co-op work terms, fast-track options where semesters are back-to-back with no semester break, and your pace of learning. You’ll find information about program length on each program’s web page.

Mohawk College, at its sole discretion, reserves the right to alter information, including but not limited to, modifying program availability, program length, campus locations, or curriculum, or to adjust fees, admission requirements, policies or procedures at any time. Read more at mohawkcollege.ca/programs.

Applicants are encouraged to review program web pages for post-admission requirements, such as police checks, field placement/clinical requirements and equipment purchases. Learn more about careers at mohawkcollege.ca/careertools. • = competitive program, see page 4 for details.

- 2 English equivalent to high school grade 12 U level, 2 other courses
- Within one year of the anticipated start date to the Nursing BScN program.
- A minimum 75% average is required. Please note: 75% is required in each of Biology, Chemistry, Mathematics and English.
- No exemption credit will be granted in the program for Pre-Health Sciences courses.
- If graduates from a Pre-Health Sciences program have completed any university course work, the admission decision will be based solely on their university course work.
- See program webpage for acceptable Pre-Health Programs and other important admission details.

Program | Admission | Career Options | Credential | Campus | Start
---|---|---|---|---|---
Nursing (BScN) | [mohawkcollege.ca/731](mohawkcollege.ca/731) | Registered Nurse | Degree | Institute for Applied Health Sciences | Sept

Program Admission requirements continued from [page 20](#).

Nursing (BScN) consists of a full Pre-Health Sciences program that includes:

- Completion of all of the following:
  - 2 Biology
  - 2 Chemistry
  - 2 Mathematics
  - 2 English equivalent to high school grade 12 U level, 2 other courses
  - Within one year of the anticipated start date to the Nursing BScN program.
- A minimum 75% average is required. Please note: 75% is required in each of Biology, Chemistry, Mathematics and English.
- No exemption credit will be granted in the program for Pre-Health Sciences courses.

OR Applicants applying directly from secondary school or community college Pre-Health Sciences program require:

- Cumulative average of at least 60-70% in all University degree credit courses taken.
- Applicants who have not taken university science courses must have obtained a B (75%) in Grade 12 University Chemistry (SCH4U) and Grade 12 University Biology (SBI4U) in the OSSD curriculum.

OR Applicants applying directly from secondary school or community college Pre-Health Sciences program require:

- Completion of a full Pre-Health Sciences program that consists of:
  - 2 Biology
  - 2 Chemistry
  - 2 Mathematics
  - 2 English equivalent to high school grade 12 U level, 2 other courses
  - Within one year of the anticipated start date to the Nursing BScN program.
- A minimum 75% average is required. Please note: 75% is required in each of Biology, Chemistry, Mathematics and English.

Admission will be based solely on University course work.

Applicants are encouraged to review program web pages for post-admission requirements, such as police checks, field placement/clinical requirements and equipment purchases.

**Program**

**Admission**

**Career Options**

**Credential**

**Campus**

**Start**

**Occupational Therapist Assistant and Physiotherapist Assistant**

- Grade 12 English, C or U or equivalent
- Grade 11 or 12 Biology, C or U
- Grade 11 or 12 Physics or Chemistry, C or U
- Some courses require students to be 18 years of age
- Recommended: related volunteer experience

Occupational Therapist Assistant (OTA), Physiotherapist Assistant (PTA), Combined OTA/PTA

Diploma

Institute for Applied Health Sciences

Sept

**Personal Support Worker**

- Grade 12 English, C or U or equivalent
- Grade 10 Mathematics, D (Academic) or P (Applied) level

Personal Support Worker Certificate

Institute for Applied Health Sciences OR Wentworth Heights OR Six Nations Polytechnic – Brantford

Sept or Jan

**Pharmacy Technician**

- Grade 12 English, C or U or equivalent
- Grade 11 Mathematics, minimum C (M or U recommended)
- Grade 11 or 12 Chemistry
- Grade 11 or 12 Biology
- Recommended: good computer and Windows-based skills, and 35 WPM keyboarding
- Fluency requirements must be met for applicants where English is their second language.

Registered Pharmacy Technician Diploma

Institute for Applied Health Sciences

Sept

**Practice Nursing**

- Grade 12 English, C or U or equivalent
- Grade 11 or 12 Mathematics, C, M or U level (M or U recommended)
- 2 Grade 11 or 12 Sciences, C or U level in biology, chemistry, or physics
- 85% – 88% cumulative recommended average in the required courses to be competitive

Registered Practical Nurse Diploma

Institute for Applied Health Sciences

Sept or Jan

**Pre-Health Sciences Pathway to Advanced Diplomas and Degrees**

- Grade 12 English, C or U or equivalent
- Grade 11 Mathematics, C, M or U or equivalent
- Recommended: Senior Chemistry

Pre-Health Sciences Pathway to Certificates and Diplomas Further education Certificate Fennell Sept

**Pre-Health Sciences Pathway to Certificates and Diplomas**

- Grade 12 English, C or U or equivalent
- Grade 11 Mathematics, C, M or U or equivalent
- Recommended: Grade 10 Mathematics, D or P level or equivalent

Pre-Health Sciences Pathway to Certificates and Diplomas Further education Certificate Fennell Sept or Jan

**Recreation Therapy**

- Grade 12 English, C or U or equivalent (70% guideline)
- Recommended: related volunteer experience

Recreation Therapist Diploma

Fennell Sept

---

*Admission to full-time programs requires an Ontario Secondary School Diploma (OSSD) or equivalent (Mohawk Academic Upgrading, G2D) unless otherwise stated. Applicants whose first language is not English will be required to demonstrate proficiency in English. Options are available for mature applicants. Visit mohawkcollege.ca/admissions to read more.*

2+2 TRANSFER OPPORTUNITY

Start with a college diploma, finish with a university degree

Unlock pathway options to an Indigenous Studies degree program at McMaster University or Wilfrid Laurier University with the two-year General Arts and Science Diploma program. Students may complete a college diploma and university degree in four years.

Graduates of Mohawk’s two-year General Arts and Science Diploma who complete the eight Indigenous Studies courses within the program and maintain a cumulative GPA of 75%, are eligible to apply to:

• McMaster University, Faculty of Social Sciences Indigenous Studies major
• Laurier Brantford, Bachelor of Arts (Honours) Indigenous Studies combined major

Skilled Trades Apprenticeships

Apprenticeship training is an agreement between a person wishing to learn a skill and an employer who can provide the environment for skills training. It is administered by the Ontario Ministry of Training, Colleges and Universities. Read more about how to get started with an apprenticeship program at mohawkcollege.ca/apprenticeship.

NEW! Apprenticeship students in select programs who successfully complete all their levels at Mohawk will also receive an Ontario College Certificate. Read more on the program webpage.

Land Acknowledgment

Mohawk College derives its name from the Mohawk Nation, one of the Six Nations of the Haudenosaunee Confederacy. The Confederacy marks a union of peace and friendship, and Mohawk College honours that union by recognizing the Six Nations of the Grand River and the Mississaugas of the Credit First Nation.

We acknowledge that the territories on which Mohawk College and its campuses are situated are governed by the Between the Lakes Treaty, the Dish with One Spoon Wampum Agreement, and the Upper Canada Treaty Agreement. These agreements are binding to this day and represent our mutual commitment to maintain healthy, reciprocal and respectful relationships with the many Indigenous nations and peoples of this area. We acknowledge this and iterate our dedication to inclusivity, to friendship and to valuing the ongoing contributions of Indigenous peoples and communities.
