Become Future Ready at Mohawk

Mohawk is a leader among Ontario’s colleges. Deeply rooted in our community and the demands of the present, we have a global perspective that addresses the needs of the future.

We’re committed to sustainability

We encourage you to view this PDF digitally and visit our website using the links included. If you choose to print individual pages or the full document, use the landscape setting for best results.

We are transforming the way we deliver educational experience.

As leaders in remote and virtual education, we will provide you with an exceptional learning experience, face-to-face, online, or a mix of both.

We strive to ensure an inclusive environment for everyone.

Our focus is to create an environment that reflects all identities, where every student belongs, is welcomed and has a voice.

We have an impressive track record as a community leader.

City School by Mohawk breaks down barriers to education by offering free college courses to Hamilton neighbourhoods.

We are leaders in experiential learning.

Mohawk programs offer a wide range of hands-on, practical learning to prepare you for your future career, including co-op, applied research, placements and simulation.

We are inspiring students to be the sustainability leaders of tomorrow.

As the first Ontario college to earn a STARS® Gold Rating for sustainability, Mohawk is taking action to promote a sustainable lifestyle.

We have innovative faculty that reflect our core values.

Our faculty are experts in their field and bring real-world experience to the learning environment. Majlinda Qarri, faculty member and researcher with Mohawk’s Energy & Power Innovation Centre, helps Canadian companies develop innovative energy solutions for the future.

Once registered as a student, you are part of the Mohawk Students’ Association (MSA) – your student government, and built-in best friend on campus. Learn more at mohawkstudents.ca and follow the MSA at @MHSAMohawk.

Students and learning are at the heart of all we do.

From orientation to graduation, Mohawk offers services and activities to help you get the most out of your education, prepare you for your future career and make your college experience memorable.

If you need help, our Discover Coaches can answer your questions. Pay special attention to the deadlines for competitive programs (indicated with **beside the program name**)—those programs have more qualified applicants than there are spaces. You must apply for these programs before the “equal consideration date” to be considered on an equal basis with all other applicants.

**STEP 2 Apply**

If you qualify for. Learn more at mohawkcollege.ca/financialassistance.

**STEP 3 Confirm**

Receive your offer letter—congratulations! Confirm your program of choice at ontariocolleges.ca and submit your timetable to register.

**STEP 4 Register**

Pay your tuition deposit to secure your spot. When registration opens for your program you are ready to select your timetable. Pay the balance of your fees or make financial arrangements to defer your fees and submit your timetable to register.

**STEP 5 Start!**

Attend Orientation, explore Mohawk’s services and get involved!

As a Mohawk student and graduate, you'll have options. ‘Pathways’ describe the route you can take to achieve your ultimate education and career goals. From a preparatory certificate to a diploma, a diploma to a graduate certificate or degree, we help you understand your options. You’ll find pathways maps and further educational opportunities on each program webpage.

Explore online learning with Continuing Education
Continuing Education at Mohawk allows you to take courses, or pursue a program, at a flexible pace that fits your life. Instructor-led online courses allow you to study at home or at work—wherever you like, whenever you like—within a predetermined time frame. Most courses do not require that you be online at a certain time of day or night, but that you are active in the course during the schedule. Explore Continuing Education courses and programs.

Our Future Ready Alumni
"My research led me to Mohawk because it had the best program for training electrical technicians."

"I completed a co-op with the City of Hamilton as a student. It was this experience, along with my education, that enabled me to secure a full-time position with the City of Hamilton after graduation."

Plan for Success
We’ve joined forces with ten leading employers in the Hamilton Region to create the Future Ready Premium Employer Program, a new partnership designed to actively engage industry and community partners in the training of job-ready college graduates. The initiative will provide Mohawk students with:

• New learning modules to support career development throughout your program of study
• Early exposure to significant employers in the region
• New experiential learning and applied research opportunities
• Opportunities to explore company-specific jobs prior to graduation
• Post-graduation job search advising and support

Land Acknowledgment

Mohawk College derives its name from the Mohawk Nation, one of the Six Nations of the Haudenosaunee Confederacy. The Confederacy marks a union of peace and friendship, and Mohawk College honours that union by recognizing the Six Nations of the Grand River and the Mississaugas of the Credit First Nation.

We acknowledge that the territories on which Mohawk College and its campuses are situated are governed by the Between the Lakes Treaty, the Dish with One Spoon Wampum Agreement, and the Upper Canada Treaty Agreement. These agreements are binding to this day and represent our mutual commitment to maintain healthy, reciprocal and respectful relationships with the many Indigenous nations and peoples of this area. We acknowledge this and iterate our dedication to inclusivity, to friendship and to valuing the ongoing contributions of Indigenous peoples and communities.
