

CONGRATULATIONS SPRING 2021 GRADUATES

O CANADA

O Canada!
Our home and native land!
True patriot love in all of us command.

With glowing hearts we see thee rise,
The True North strong and free!

From far and wide,
O Canada, we stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!

Car ton bras sait porter l'épée,
Il sait porter la croix!

Ton histoire est une épopée
Des plus brillants exploits.

Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.

CONGRATULATIONS

SPRING 2021 GRADUATES

Congratulations to the graduating class of 2021 from all of us at Mohawk College. Like your families, we are proud of all that you have accomplished.

This is a major milestone in your life. Getting to this moment took resilience, focus and hard work. And that has been especially true for you these past many months. The COVID-19 pandemic is the biggest obstacle Mohawk College has ever faced in our history. We will get through this. And how we get through this will help to define us as a college.

And how you get through this crisis will help to define you, as well.

We are facing a lot of changes in our lives at this time but with change comes opportunity. Opportunities come more frequently out of change, than they do out of the status quo.

Take all the lessons you learned and the experiences you gained while at Mohawk and lean into the changes. If you lean into change, it will help you manage through the uncertainties of life.

It was a privilege to educate and serve you as a student and we cannot wait to see what you will accomplish next.

Regards,

Mohawk College Graduating Class of 2021

On behalf of the City of Hamilton and my council colleagues, I am honoured to recognize and congratulate the Mohawk College graduating classes of 2021.

Among Hamilton's storied institutions, Mohawk College rightfully retains a position of prominence in our great city, continually renewing by improving infrastructure, becoming a leader in utilizing green technology and expanding the range of student services ensuring it provides the very best experience for all who attend.

As a Mohawk College alumnus, I have great pride in my connection to the school. I look back with fond memories of my time attending Mohawk and I am grateful to those who mentored me and provided the tools to build a career in the city I love.

Our world has changed due to the pandemic, and each of you will help determine how we rebuild. You are embarking on an exciting and important new chapter in your lives, one that will enable you to further develop and define your skills.

Although you are entering a very different world from the one you expected, it is a world that needs you. No generation has been better positioned with the tools and technology available to set us on the right path forward and help remake the world we live in.

I encourage you to leave your mark, help build up your community and become responsible citizens who care about, and positively impact our City. We are all very proud of you.

Congratulations class of 2021!

Yours Sincerely,

Governor General's Award Winner

The Governor General's Academic Medal, established in 1873, is one of the most prestigious awards that can be received by a student in a Canadian educational institution for exceptional academic achievement.

The Collegiate Bronze Medal is awarded annually to the student who achieves the highest overall average upon graduation from a diploma-level, post-secondary program. The program must have a minimum two-year, full-time duration. The recipient is selected from the graduating classes spanning an academic year.

On behalf of the Office of the Governor General of Canada, the 2020-2021 Collegiate Bronze Medal is awarded to:

Oleksander Iskat
Chemical Engineering Technology

Mohawk College Graduate Medal Winners

The Mohawk College Graduate Medals are awarded to one student per faculty who achieve academic distinction while maintaining honours standing, with no failures. The medals are presented annually to the full-time graduating student from a diploma-level postsecondary program with the highest grade point average of each faculty, as determined by the Registrar. The criteria for this award stipulate that it is issued on academic marks only.

Mohawk Milestones

Cross country pilot program helping students transition

Mohawk College, Nova Scotia Community College, Red River College and Vancouver Community College have partnered to deliver the Material Handling 4.0 pilot program, designed to help people transition into careers in the supply chain sector. The program builds upon the successful training model used by Mohawk College's City School initiative in Hamilton, combining industry-driven training, individualized student support, and practical work experience to provide comprehensive training services to people who face barriers to employment and education.

Upon completion of the program, participants receive a micro-credential and employment services to help them successfully transition into long-term, stable employment.

Bursary Spotlight

"I want to spend my life advocating for and empowering individuals that struggle to find hope and strength within themselves. My father has been a single parent for over 17 years. This bursary is so important to me. It will help pay off my tuition and help me remain dedicated to the people that I have been helping and supporting."

Bursary Spotlight

"This bursary helps exponentially as I am struggling financially to pay for school. It will allow me to reach my goals and be able to focus more on my studies and less on how I am going to be able to afford to study. Thank you for providing the funding to help students chase their dreams and reach their goals."

THE CHARGE TO THE GRADUATES

Graduates, today you are admitted into the fellowship of graduates of Ontario Colleges, an honour bestowed only upon those who have met high standards of conduct and learning.

In the name of Mohawk College, therefore I hereby charge you:

- To safeguard the dignity and ethics of our fellowship;
- To cultivate the spirit of inquiry and innovation;
- To celebrate your role as a local and global citizen;
- To maintain, through study, the fresh viewpoint expected in an age of rapid advancement; and
- To contribute, in all these ways, to society, in order that the dignity of humankind, through you, may be constantly reaffirmed.

SCIENTIA OPUS OMNIUM.
KNOWLEDGE, THE WORK OF ALL.

THE COLLEGE

Mohawk College has grown to be one of Canada's leading colleges. Mohawk's history began in 1947 with the establishment of the Provincial Institute of Textiles which was transformed into the Hamilton Institute of Technology (HIT) in 1957. Ten years later, in 1967, the HIT was incorporated as the newly established Mohawk College, one of 24 Ontario colleges.

Today, Mohawk College proudly delivers a quality education and college experience to over 32,500 full-time, part-time, continuing education and apprenticeship students. Mohawk is the region's prime job creating engine, having transformed more than 134,000 students into highly skilled and future ready graduates who are driving tomorrow's opportunities.

THE LIRIPIPE

The liripipe is a European medieval symbol of academic achievement dating back to the 8th century. It marks the achievement of excellence according to each student's chosen program and symbolizes their membership into the international community of scholars.
