FALL 2023

INVOCATION

We are gathered here in celebration of our graduates and of Mohawk College.

May the graduates, their families and friends, our Mohawk Governors and our staff, collectively and individually, continue to seek the strength to put forward in our minds:

All great and good thoughts, intended to unite us.

All generous thoughts, intended to make us celebrate the achievement of others.

All charitable thoughts, intended to make us sensitive to the needs and feelings of others.

May we together invoke all caring, brave, and meaningful acts which are worthy of our true selves.

May we think in truth and in love.

May we act in honesty and in honour.

May we seek out the best in everyone.

And, in doing so, may we find fulfillment, peace, and joy.

THE CHARGE TO THE GRADUATES

Graduates, today you are admitted into the fellowship of graduates of Ontario Colleges, an honour bestowed only upon those who have met high standards of conduct and learning.

In the name of Mohawk College, therefore I hereby charge you:

- To safeguard the dignity and ethics of our fellowship;
- To cultivate the spirit of inquiry and innovation;
- To celebrate your role as a local and global citizen;
- To maintain, through study, the fresh viewpoint expected in an age of rapid advancement; and
- To contribute, in all these ways, to society, in order that the dignity of humankind, through you, may be constantly reaffirmed.

SCIENTIA OPUS OMNIUM.
KNOWLEDGE, THE WORK OF ALL.

Speaker

The Honourable Catherine McKenna P.C.,
Distinguished Fellow

The Honourable Catherine McKenna is Canada's former Minister of Environment and Climate Change as well as Minister of Infrastructure. She is the Principal of Climate and Nature Solutions, an advisory firm focused on scaling action and financing to tackle the climate crisis. She chaired the UN Secretary General's High-Level Expert Group on Net-Zero setting out criteria for net zero commitments of business, financial institutions, cities and regions. She is a Distinguished Visiting Fellow at Columbia University and founded Women Leading on Climate.

As Canada's former Minister of Environment and Climate Change she was a lead negotiator of the Paris Agreement (Article 6 on carbon markets). She successfully negotiated Canada's first comprehensive climate change plan including a coal phase out and a price on carbon across Canada — a policy successfully upheld at the Supreme Court. She brought in Canada's new Impact Assessment Act for the review of major projects, led efforts to ban single use

plastics, and doubled the amount of nature protected in Canada in partnership with Indigenous Peoples. Internationally she helped establish the Powering Past Coal Coalition, the Ministerial on Climate Action and the Nature Champions Summit.

As Minister of Infrastructure and Communities, she led Canada's historic investments in public transit and green infrastructure, leveraged private sector investment in sustainable infrastructure through the Canada Infrastructure Bank, and launched Canada's first National Infrastructure Assessment to drive to net-zero emissions by 2050.

Originally from Hamilton, Ms. McKenna visited Mohawk College on several occasions during her time in parliament.

A strong supporter of the college's work on Climate Action, in 2018 she publicly voiced her support for Mohawk College and Hamilton when she spoke out against the province's decision to withdraw funding needed to support the Centre for Climate Change Management and the Bay Area Climate Change Office. She later helped to secure additional funding for these initiatives including \$262,000 in direct support for the Centre for Climate Change Management through the federal government's Climate Action Fund. She continues to be a friend of the college and recently showed her support for Canadian Colleges for a Resilient Recovery by recording a special welcome message for the consortium's inaugural meeting.

Prior to entering politics, Catherine practiced corporate, trade and anti-trust law at leading firms in Canada and Indonesia, worked as lead negotiator on the Timor Sea Treaty with the UN Peacekeeping Mission to East Timor and founded Canadian Lawyers Abroad (now Level Justice). She is called to the Bars of New York and Ontario. She is a mother to three kids and an avid open water swimmer.

THE COLLEGE

Mohawk College has grown to be one of Canada's leading colleges. Mohawk's history began in 1947 with the establishment of the Provincial Institute of Textiles which was transformed into the Hamilton Institute of Technology (HIT) in 1957. Ten years later, in 1967, the HIT was incorporated as the newly established Mohawk College, one of 24 Ontario colleges.

Today, Mohawk College proudly delivers a quality education and college experience to over 30,000 full-time, part-time, continuing education and apprenticeship students. Mohawk is the region's prime job creating engine, having transformed more than 165,000 graduates into highly skilled and future ready graduates who are driving tomorrow's opportunities.

THE LIRIPIPE

O CANADA

O Canada!
Our home and native land!
True patriot love in all of us command.

With glowing hearts we see thee rise,
The True North strong and free!

From far and wide,
O Canada, we stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!

Car ton bras sait porter l'épée,
Il sait porter la croix!

Ton histoire est une épopée
Des plus brillants exploits.

Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.
