## O CANADA

O Canada!  
Our home and native land!  
True patriot love in all of us command.

With glowing hearts we see thee rise,  
The True North strong and free!

From far and wide,  
O Canada, we stand on guard for thee.

God keep our land glorious and free!  
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux,  
Ton front est ceint de fleurons glorieux!

Car ton bras sait porter l'épée,  
Il sait porter la croix!

Ton histoire est une épopée  
Des plus brillants exploits.

Et ta valeur, de foi trempée,  
Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.

## FALL 2021 GRADUATES

---

Congratulations to the graduating class of 2021 from all of us at Mohawk College. We are proud of all that you have accomplished.

This is a major milestone in your life. Getting to this moment would have been hard work at the best of times. You did it during one of the most challenging times the world has faced in generations. Mohawk is fortunate to have such a dedicated group of new alumni in our college community.

We are facing a lot of changes in our lives at this time, but with change, comes opportunity. It's how you adjust that will make the biggest difference. If you can adapt quickly to change, the path forward will be easier. You have already proven that you are up to the challenge, so take all the lessons you learned and the experiences you gained while at Mohawk and lean into the changes, embrace them with confidence and seize the opportunities they provide you.

It was a privilege to educate and serve you as a student. We welcome you to the alumni family and we cannot wait to see what you will accomplish next.

Regards,

# Mohawk Milestones

## Cross country pilot program helping students transition

Mohawk College, Nova Scotia Community College, Red River College and Vancouver Community College have partnered to deliver the Material Handling 4.0 pilot program, designed to help people transition into careers in the supply chain sector. The program builds upon the successful training model used by Mohawk College's City School initiative in Hamilton, combining industry-driven training, individualized student support, and practical work experience to provide comprehensive training services to people who face barriers to employment and education.

Upon completion of the program, participants receive a micro-credential and employment services to help them successfully transition into long-term, stable employment.

## Bursary Spotlight

*"I want to spend my life advocating for and empowering individuals that struggle to find hope and strength within themselves. My father has been a single parent for over 17 years. ## THE COLLEGE

Mohawk College has grown to be one of Canada's leading colleges. Mohawk's history began in 1947 with the establishment of the Provincial Institute of Textiles which was transformed into the Hamilton Institute of Technology (HIT) in 1957. Today, Mohawk College proudly delivers a quality education and college experience to over 32,500 full-time, part-time, continuing education and apprenticeship students. Mohawk is the region's prime job creating engine, having transformed more than 134,000 graduates into highly skilled and future ready graduates who are driving tomorrow's opportunities.
