

CONVOCATION SPRING 2026

INVOCATION

We are gathered here in celebration of our graduates and of Mohawk College.

May the graduates, their families and friends, our Mohawk College Board of Governors, students, faculty and staff, collectively and individually, continue to seek the strength to put forward in our minds:

All great and good thoughts, intended to unite us.

All generous thoughts, intended to make us celebrate the achievement of others.

All charitable thoughts, intended to make us sensitive to the needs and feelings of others.

May we together invoke all caring, brave, and meaningful acts which are worthy of our true selves.

May we think in truth and in love.

May we act in honesty and in honour.

May we seek out the best in everyone.

And, in doing so, may we find fulfillment, peace, and joy.

THE CHARGE TO THE GRADUATES

Graduates, today you are admitted into the fellowship of graduates of Ontario Colleges, an honour bestowed only upon those who have met high standards of conduct and learning.

In the name of Mohawk College, therefore I hereby charge you:

- To safeguard the dignity and ethics of our fellowship;
- To cultivate the spirit of inquiry and innovation;
- To celebrate your role as a local and global citizen;
- To maintain, through study, the fresh viewpoint expected in an age of rapid advancement; and
- To contribute, in all these ways, to society, in order that the dignity of humankind, through you, may be constantly reaffirmed.

Speaker

Debbie Logel Butler '81
Early Childhood Education

Debbie has spent more than 40 years strengthening Hamilton's health and social-service sector. She began her career in child life before moving into public relations and fundraising, where she advanced some of the city's most respected non-profits by breaking barriers, expanding access, and securing vital resources.

Her work has consistently improved services for individuals and families in our community. Across every role, and through her extensive volunteer leadership, Debbie has championed dignity, equity, and ease of access for those facing serious life

challenges. A compassionate, ethical, and visionary leader, she empowers others to lead with courage and purpose. Debbie's influence is woven through many of Hamilton's health, education, and social service organizations, making her a true force for public good. In 2012 Debbie was recognized by Mohawk College for her work and advocacy and inducted into the Alumni of Distinction.

Management in the Non-Profit Sector

Since joining Good Shepherd in 2005 as Chief Development Officer, Cathy Wellwood has played a transformative leadership role in Hamilton's social service sector. A graduate of Mohawk College's Executive Leadership Program, she oversees fundraising efforts that generate nearly one-third of Good Shepherd's operating revenue through major gifts, planned giving, direct mail, and special events.

Under Cathy's leadership, Good Shepherd successfully completed a \$55-million capital campaign that led to the creation of Good Shepherd Square, a landmark downtown development featuring affordable housing and essential community services. Her work has helped strengthen one of Hamilton's largest providers of human services and community healthcare, supporting

vulnerable individuals and families with dignity and compassion.

Prior to Good Shepherd, Cathy held fundraising leadership roles at Hamilton Health Sciences and St. Joseph's Healthcare, where she advanced major initiatives including a Children's Hospital Telethon and planned giving programs.

Beyond her professional achievements, Cathy is a dedicated community volunteer, supporting numerous local organizations. Her contributions have earned her many honours, including Mohawk College's Alumni of Distinction Award for Business and the Paul Harris Fellowship.

Dilini Fernando '20

Business Analysis

Dilini Fernando is a 2020 graduate of the Business Analysis program at Mohawk College. She is the Co-Founder and Operations Lead of Certitude by K, a sustainable fashion brand rooted in her family's long-standing Sri Lankan batik business. The brand transforms discarded materials into wearable art while empowering underprivileged women and has been featured at New York and Los Angeles Fashion Week.

In 2025, she was also selected as a Top-12 finalist in Women4Climate Toronto, where her brand aligned with the City of Toronto's mission toward Net Zero by 2040.

Dilini currently works as a Manager at TD Insurance, where she focuses on creating a positive environment for her team to thrive, grow in

confidence and succeed. She is committed to TD's broader purpose of being more human and giving back to the communities it serves.

Her community involvement includes volunteering with Achilles Canada, supporting non-profits through the Taproot Foundation, and fundraising for the United Way campaign—efforts that have earned her the TD Community Champion Award.

Dilini exemplifies purpose, resilience, and connection, and was inducted into Mohawk College's Alumni of Distinction in 2025.

He graduated from the Civil Engineering Technology program at Mohawk College in 2015 and earned his Bachelor's degree in Civil Engineering from Lakehead University in 2017.

Akram joined Dufferin Construction that same year as a Construction Coordinator, gaining hands on experience in project execution, scheduling, and resource management. In 2022, he was promoted to Assistant Superintendent, where his role expanded to leverage his technical expertise, field leadership, and coordination of complex construction activities. He has since progressed into his

current role as an Estimator, preparing competitive bids and strategic pricing for large scale civil infrastructure projects.

Akram's project experience includes various MTO Major Capital roadway and structures projects as well as runway and taxiway rehabilitation at Toronto Pearson International Airport. He brings a strong practical understanding of constructability, risk, and cost drivers, with proven capabilities in cost estimating, tender strategy, constructability analysis, project coordination and stakeholder engagement.

Speaker

Brian Hogben '01

Business Administration

Brian Hogben is a passionate entrepreneur, investor, and speaker dedicated to helping people achieve financial freedom through real estate, mortgages, and smart investing. As the founder of Mission 35 Mortgages, he has built an award-winning brokerage that not only funds homeownership but also empowers mortgage agents with the tools and mindset to succeed.

Beyond mortgages, Brian is the largest Liberty Tax franchise holder in Canada, ensuring thousands of clients receive expert guidance on taxes and financial planning. He is also a partner in Shore Capital, a mortgage investment company offering investors secure, high-yield opportunities in real estate-backed lending.

A firm believer in real estate as a wealth-building tool, Brian has an extensive property portfolio across

Southern Ontario. His deep market knowledge and strategic approach have helped him create lasting financial success. Brian enjoys sharing his knowledge with students and in 2023 was inducted into Mohawk College's Alumni of Distinction for his involvement and career achievements.

Despite his many ventures, Brian's greatest pride is being a dedicated father to his daughter Lyla. Whether mentoring agents, guiding investors, or speaking on national stages, his mission remains the same: to inspire, educate and empower others to build wealth and live with purpose.

John Wherry

Speaking on behalf of:

Lillian Wherry

Distinguished Fellow -

Honourary Diploma

Posthumous

Lillian Wherry was born in Hamilton on Nov 1, 1920 and died Feb 1, 2025 at 104 years old. She grew up during the Great Depression which prevented her from pursuing a postsecondary education. She attended a technical school then worked in a bakery.

At the age of 22, Lillian married Robert Wherry. They both knew what it was like during hard times and were always ready to help others when they saw a need. They were devout Christians and active volunteers in many organizations their entire lives. Robert was a welder, and he was proud of his welding

skills and the important projects he had worked on.

After he died in 2009, Lillian created a scholarship at Mohawk aimed at supporting students learning the welding trade. She also supported the new welding lab at the Marshall School.

In 2017, Lillian was presented the Senior Citizen of the Year award by the mayor of Hamilton in recognition of her lifelong commitment to volunteering and supporting others in the community.

THE COLLEGE

Mohawk College is one of Canada's leading colleges. The College's history dates back to 1947 with the establishment of the Provincial Institute of Textiles, which later became the Hamilton Institute of Technology (HIT) in 1957. Ten years later, in 1967, the HIT was incorporated as the newly established Mohawk College, one of 24 Ontario Colleges.

Today, Mohawk College proudly delivers a quality education and college experience to over 29,700 full-time, part-time and apprenticeship students. For nearly 60 years, Mohawk College has been meeting the needs of employers in our communities and transforming the lives of more than 180,000 highly skilled graduates.

THE DEGREE HOOD

Academic hoods are a tradition that can be traced back to medieval Europe where they were initially practical pieces of clothing used as head coverings or shoulder capes. Over time the hood evolved to become a symbol of academic achievement with variations in colour and designed representing the degree a graduate has earned and the institution they graduated from.

THE LIRIPIPE

The liripipe is a medieval European symbol of academic achievement dating back to the 8th century. It marks the achievement of excellence according to each student's chosen program and symbolizes their membership into the international community of scholars.

ACADEMIC DESIGNATION

Upon receipt of the following credentials, graduates are entitled to use a designation, as described below, after their names:

Degree, **D**

Ontario College Graduate Certificate, **OCGC**

Ontario College Advanced Diploma, **OCAD**

Ontario College Diploma, **OCD**

Ontario College Certificate, **OCC**

O CANADA

O Canada!
Our home and native land!
True patriot love in all of us command.

With glowing hearts we see thee rise,
The True North strong and free!

From far and wide,
O Canada, we stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!

Car ton bras sait porter l'épée,
Il sait porter la croix!

Ton histoire est une épopée
Des plus brillants exploits.

Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.
