SPRING 2025

INVOCATION

We are gathered here in celebration of our graduates and of Mohawk College.

May the graduates, their families and friends, our Mohawk College Board of Governors, students, faculty and staff, collectively and individually, continue to seek the strength to put forward in our minds:

All great and good thoughts, intended to unite us.

All generous thoughts, intended to make us celebrate the achievement of others.

All charitable thoughts, intended to make us sensitive to the needs and feelings of others.

May we together invoke all caring, brave, and meaningful acts which are worthy of our true selves.

May we think in truth and in love.

May we act in honesty and in honour.

May we seek out the best in everyone.

And, in doing so, may we find fulfillment, peace, and joy.

THE CHARGE TO THE GRADUATES

Graduates, today you are admitted into the fellowship of graduates of Ontario Colleges, an honour bestowed only upon those who have met high standards of conduct and learning.

In the name of Mohawk College, therefore I hereby charge you:

- To safeguard the dignity and ethics of our fellowship;
- To cultivate the spirit of inquiry and innovation;
- To celebrate your role as a local and global citizen;
- To maintain, through study, the fresh viewpoint expected in an age of rapid advancement; and
- To contribute, in all these ways, to society, in order that the dignity of humankind, through you, may be constantly reaffirmed.

Lauren Hough,
*Brain Disorders
Management '19*

Lauren Hough is a dedicated advocate in the field of brain injury and disability support. She holds a BA Honours in Psychology with a minor in Family and Child Studies from the University of Guelph (2011), a BSc in Biological Science (2016), and most recently, completed a Master of Arts in Applied Disability Studies with a specialization in Applied Behaviour Analysis in 2024.

Her career began at the Lions Foundation of Canada Dog Guides, where she spent six years training Autism Assistance Dog Guides and supporting families across the country. This experience fostered a deep commitment to advocating for individuals with disabilities, particularly those who face systemic barriers.

In 2019, Lauren completed a post-graduate certificate in Brain Disorders Management at Mohawk College. During her co-op placement with the Ontario Brain Injury Association (OBIA), she discovered a strong passion for supporting individuals living with brain injuries and she joined OBIA shortly thereafter. Today, as Assistant Director of Outreach and Programs, Lauren leads initiatives that provide essential resources, support, education, and advocacy for individuals and families across Ontario that have been impacted by brain injuries.

Adil Khalqi

*Police Foundations '19,
Advanced Police Studies '20*

Adil Khalqi is making the most of his education. Just five years out of college, he is a Police Constable with the Brantford Police Service and a Town Councillor in the Town of Milton. In 2024, he was named a Mohawk Alumni of Distinction, and nominated for the Ontario Premier's Award.

After graduating Police Foundations in 2019 and Advanced Police Studies in 2020, Adil's passion for public service led him towards being hired on as a Police Constable with the Brantford Police Service in 2021. He takes pride in the hard work that it takes to foster community safety and well-being.

Just one year after he became a Police Constable, he was nominated for a Police Association of Ontario Police Hero Award in the Community Role Model category. The award recognizes officers or civilian employees for going above and beyond the call of duty.

Adil extended his dedication to public service by running for Town Council in the 2022 Milton Municipal Election. He was elected in October 2022, becoming the youngest Councillor in Milton's history.

On Council, Adil has focused on aligning the pace of growth with infrastructure and public service capacity, improving road safety, and supporting budgets that balance affordability with residents' expectations for services. He has also championed strategic investments that strengthen the Town of Milton's future. Adil is committed to building strong, positive relationships with residents and believes that listening and engaging with the community is essential to effective leadership and advocacy.

New Indigenous gathering space opens at Fennell campus

In March, Mohawk College proudly celebrated the official opening of Kanakti:yo, a new Indigenous gathering space at the Fennell Campus. Kanakti:yo—pronounced Ga-nuck-dee-yo—is a venue for cultural gatherings, ceremonies, and educational events aiming to foster a deeper understanding of Indigenous histories and includes a museum gallery.

College receives 2025 Canadian Queen Elizabeth II Diamond Jubilee Scholarship (QES)

This marks the first year colleges were eligible for the program, and Mohawk is proud to be among the recipients. Mohawk's QES project aims to build healthcare capacity in the critically under-resourced field of pediatric echocardiography in Guyana, where currently there are no cardiac sonographers trained in pediatric sonography. The project's objective is to equip local healthcare providers with diagnostic imaging skills for early detection and management of critical illness in infants and children in rural and urban communities.

Starting in his basement along with his co-founder, they grew the company to a worldwide

operation with more than 200 employees. Under his leadership, GuardMe became known for its personalized service, industry innovation, community involvement and strong institutional partnerships across the globe.

For nearly 30 years, Keith has made lasting contributions to the education sector by funding student programs, creating scholarships and bursaries, and supporting communities both locally and internationally. His unique blend of creative thinking and strategic leadership continues to make a real difference in people's lives today.

Sarah Vienot,
*Distinguished Fellow -
Honourary Diploma*

Sarah Vienot's journey began in Nova Scotia with entrepreneurial parents who encouraged her to embrace an unconventional career path. Her adventures led to Los Angeles, where she spent over a decade immersing herself in the entertainment industry, first working alongside legendary poet/songwriter Leonard Cohen and then as Co-Founder of The Alexander/Vienot Agency.

Her path to branding took shape during a seven-year tenure at Vibrato Naming. Now a principal executive at Fussfactory since its launch in 2008, Sarah leads

social branding initiatives.

Sarah enhanced her expertise through Digital Marketing Management Certification from the University of Toronto and specialized training in brand strategy, innovation strategy, and viral growth through Section4.

As Board Chair for Community Living Central York, she

demonstrates a commitment to building inclusive communities through supporting adults with intellectual disabilities.

Sarah also serves as a Trustee of the Marinucci Family Foundation, founded and chaired by her husband, Giovanni Marinucci, which invests in education, live arts and proactive healthcare initiatives.

She and Giovanni split their time between Innisfil and Toronto, balancing their professional endeavours with their shared commitment to the Marinucci Family Foundation. They enjoy family life with their combined family of five children, two grandchildren, and their yellow lab, Marilyn.

Jason Herd,
*Electrical Engineering
Technician – Power '04*

*Electrician: Construction
& Maintenance, Industrial
Electrician '05*

Jason Herd is an entrepreneur helping businesses in the trades be more efficient and maximize their profits.

Jason is founder and CEO of Tradetraks Inc., a Hamilton-based software provider that automates and streamlines the management operations, finances, health and safety, human resources and internal communications for construction and service trades industry companies.

In 2022, Jason was named among the top 40 under 40 by SiteNews, a construction trade publication, and in 2024, he was named a Mohawk Alumni of Distinction and nominated for the Ontario Premier's Award.

Before starting his own business, Jason grew his career at Fairway Electrical, working his way up from electrical apprentice, to project manager and estimator, to vice-president and director of business development, and finally serving as president.

When Jason tried to solve gaps in Fairway's operational processes through technology, he couldn't find a ready-made solution management application. So, he developed one himself, detailing the architecture and functionality of the application, assembling a Canadian-based team and creating Tradetraks.

Speaker

Bruce MacRitchie, Distinguished Fellow

Bruce MacRitchie, a Canadian aviation pioneer, has dedicated over six decades to advancing the aerospace industry. Bruce's early aviation experience began in the 1960s at Central Airways in Toronto, where he earned his wings.

His aviation career continued at Fort Erie's Fleet Industries and then in California and Florida, where he became a certified helicopter pilot, airline pilot, and aircraft technician. He represented industry giants such as Hughes, Lockheed, and Douglas, and even flew alongside Howard Hughes himself. His adventures took him across North America and Europe, including a notable emergency landing in Haiti, where he went to jail for two weeks before being allowed to get parts for his aircraft, fix the plane, and fly it home.

Bruce went on to operate several aviation businesses and managed the Welland Airport for over 30 years, transforming it into a hub for pilot training and aircraft maintenance. At 91, he continues to fly today.

A long-time director and honorary board member of the Canadian Warplane Heritage Museum, Bruce has been instrumental in preserving Canada's aviation history. In 2024, Bruce donated a 1968 Cessna C421 to Mohawk College's Centre for Aviation Technology as a sign of his dedication to aviation education.

THE COLLEGE

Mohawk College is one of Canada's leading colleges. The College's history dates back to 1947 with the establishment of the Provincial Institute of Textiles, which later became the Hamilton Institute of Technology (HIT) in 1957. Ten years later, in 1967, the HIT was incorporated as the newly established Mohawk College, one of 24 Ontario Colleges.

Today, Mohawk College proudly delivers a quality education and college experience to over 30,000 full-time, part-time, continuing education and apprenticeship students. For nearly 60 years, Mohawk College has been fulfilling the needs of employers in our communities and transforming the lives of more than 175,000 highly skilled and future-ready graduates.

THE DEGREE HOOD

Academic hoods are a tradition that can be traced back to medieval Europe where they were initially practical pieces of clothing used as head coverings or shoulder capes. Over time the hood evolved to become a symbol of academic achievement with variations in colour and designed representing the degree a graduate has earned and the institution they graduated from.

THE LIRIPIPE

The liripipe is a medieval European symbol of academic achievement dating back to the 8th century. It marks the achievement of excellence according to each student's chosen program and symbolizes their membership into the international community of scholars.

ACADEMIC DESIGNATION

Upon receipt of the following credentials, graduates are entitled to use a designation, as described below, after their names:

Degree, **D**

Ontario College Graduate Certificate, **OCGC**

O CANADA

O Canada!
Our home and native land!
True patriot love in all of us command.

With glowing hearts we see thee rise,
The True North strong and free!

From far and wide,
O Canada, we stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!

Car ton bras sait porter l'épée,
Il sait porter la croix!

Ton histoire est une épopée
Des plus brillants exploits.

Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.
