## **Language & Culture Centre**

The Lanuguage & Culture Centre (LCC) is Mohawk's year-round destination for events, conversation, a quiet space (sometimes!), student success workshops and cultural celebrations. A great place to meet a friend or to make one. Drop in to socialize, meet with staff, sign up to volunteer, meet a Peer Mentor, inquire about EAP programs and more. Everyone is welcome at the LCC – and that means you!

We've always promised there is more to Mohawk than classes. And at the LCC, we prove it. For event listings and more information, visit mohawkcollege.ca/LCC.

#### The Language and Culture Centre (LCC) is...

- The community hub for international diversity
- Where you will find a variety of cultural and language support
- A group of experienced, friendly and multicultural staff who will help you adjust to your new life at the college and in your new community of Hamilton
- A comfortable environment where you will find an exciting blend of academic activities, international celebrations, social interaction, and community involvement
- Your home away from home

#### **Embrace international culture**

Our Language & Culture Centre hosts academic and social activities and celebrates diversity through cultural festivals on all campuses and in Hamilton's community. Mohawk welcomes students from more than 90 countries. The International Square service hub at Fennell Campus helps international students make a successful transition to Mohawk, as well as make friends and gain leadership skills.

# Land Acknowledgment

Mohawk College derives its name from the Mohawk Nation, one of the Six Nations of the Haudenosaunee Confederacy. The Confederacy marks a union of peace and friendship, and Mohawk College honours that union by recognizing the Six Nations of the Grand River and the Mississaugas of the Credit First Nation.

We acknowledge that the territories on which Mohawk College and its campuses are situated are governed by the Between the Lakes Treaty, the Dish with One Spoon Wampum Agreement, and the Upper Canada Treaty Agreement. These agreements are binding to this day and represent our mutual commitment to maintain healthy, reciprocal and respectful relationships with the many Indigenous nations and peoples of this area. We acknowledge this and iterate our dedication to inclusivity, to friendship and to valuing the ongoing contributions of Indigenous peoples and communities.
