Get Future Ready at Mohawk

Discover why Mohawk is a leader among Ontario's colleges. Deeply rooted in our community and the demands of the present, we have a global perspective that addresses the needs of the future.

Explore. Connect. Apply!

Your step-by-step guide to becoming a Mohawk student.

For international students the college application process has a couple of extra, very important steps. Mohawk International is here to help with personal guidance on how to navigate the process. We are available to you as you plan your educational journey in Canada!

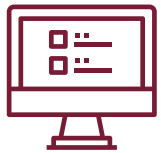

To book an appointment or speak with a member of our International team, please contact us at intl.representatives@mohawkcollege.ca

STEP 1 **Choose Your Program**

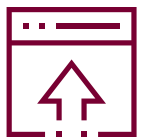

Mohawk offers a wide range of more than 100 programs that open career opportunities for international students.

Pay special attention to the deadlines for competitive programs (indicated with  beside the program name)—those programs have more qualified applicants than there are spaces. You are encouraged to apply for these high-demand programs as early as possible to be considered for the limited number of spaces available.

STEP 2 **Apply via Ontario College Application Service (OCAS)**

The OCAS International Application Service (IAS) in an online application process will only take a few minutes. If you need to stop in the middle, your progress will be saved and you will be able to continue right where you left off when you return. Apply online now at mohawkcollege.ca/OCAS-International

STEP 3 **Confirming Your Offer of Admission**

When you receive an Offer of Admission from Mohawk, you must then confirm you accept the offer, and pay fees, before the due date on your letter. This is done online through the OCAS International Applicant portal. Once you pay the required fees and accept your offer of admission you will receive a letter of acceptance that you can use for immigration purposes.

STEP 4 **Receive Your Letter of Acceptance**

If your application is successful you will receive a letter of acceptance from Mohawk College. This letter of acceptance is required for you to apply for your study permit and is the official document for immigration purposes.

Remember to review the document and ensure you fall all the required steps.

STEP 5 **Apply for Your Study Permit**

With your letter of acceptance, you should immediately apply for your study permit.

Language & Culture Centre

The Language & Culture Centre (LCC) is Mohawk's year-round destination for events, conversation, a quiet space (sometimes!), student success workshops and cultural celebrations. A great place to meet a friend or to make one. Drop in to socialize, meet with staff, sign up to volunteer, meet a Peer Mentor, inquire about EAP programs and more. Everyone is welcome at the LCC – and that means you!

We've always promised there is more to Mohawk than classes. And at the LCC, we prove it. For event listings and more information, visit mohawkcollege.ca/LCC.

The Language and Culture Centre (LCC) is...

- The community hub for international diversity
- Where you will find a variety of cultural and language support
- A group of experienced, friendly and multicultural staff who will help you adjust to your new life at the college and in your new community of Hamilton
- A comfortable environment where you will find an exciting blend of cultural activities, international celebrations, social interaction, and community involvement
- Your home away from home

Embrace international culture

Our Language & Culture Centre hosts cultural and social activities and celebrates diversity through cultural festivals on all campuses and in Hamilton's community. Mohawk welcomes students from more than 90 countries. This hub at Fennell Campus helps international students make a successful transition to Mohawk, as well as make friends and gain leadership skills.
