Meet our amazing alumni

Grads share their career journey and advice.

"Mohawk had more graduates who were working and achieving in their fields than other programs I looked into. After graduating, there have been multiple times when I've reached out to former professors for support. It's been fantastic."

Melanie Wong
Public Relations, 2012

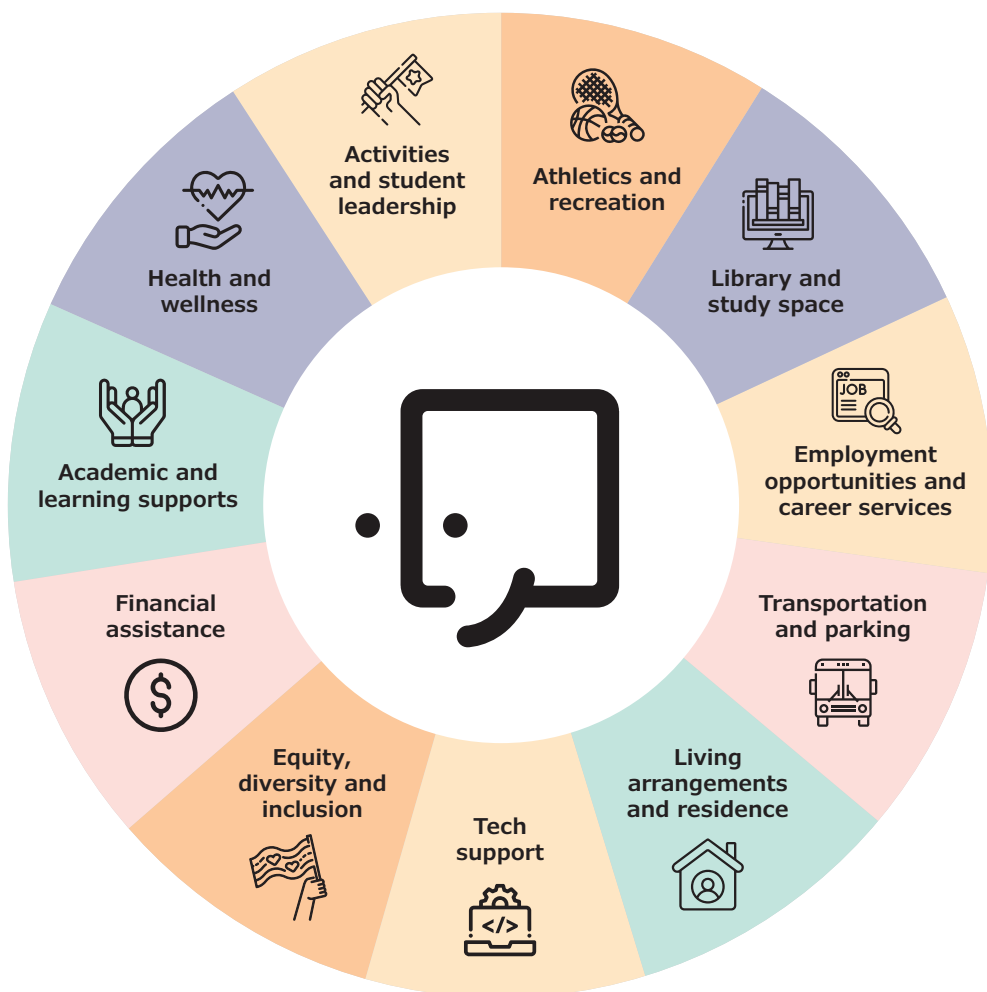

"My supervisors provided feedback when necessary, taught me the professionalism that was critical to succeed in the organization, and gave me the important vote of confidence to trust my decision-making."

Heston Tobias
Business Analysis, 2018

"I'm empowering other people to be themselves. I'm breaking down stigmas. I'm creating [a] safe environment. I walk away every day feeling grateful because I get to do what I'm good at and help other people."

Janet Greener
Mental Health and Disabilities Management, 2020
