# Plan for Success at Mohawk

Mohawk is a leader among Ontario's colleges. Deeply rooted in our community and the demands of the present, we have a global perspective that addresses the needs of the future.

## We are transforming the way we deliver educational experience.

As leaders in remote and virtual education, we will provide you with an exceptional learning experience, face-to-face, online, or a mix of both.

## We strive to ensure an inclusive environment for everyone.

Our focus is to create an environment that reflects all identities, where every student belongs, is welcomed and has a voice.

Once registered as a student, you are part of the Mohawk Students' Association (MSA) – your student government, and built-in best friend on campus. Learn more at [mohawkstudents.ca](https://mohawkstudents.ca) and follow the MSA at   /MSAMohawk.

**We have an impressive track record as a community leader.**

City School by Mohawk breaks down barriers to education by offering free college courses to Hamilton neighbourhoods.

**We are leaders in experiential learning.**

Mohawk programs offer a wide range of hands-on, practical learning to prepare you for your future career, including co-op, applied research, placements and simulation.

**We are inspiring students to be the sustainability leaders of tomorrow.**

As the first Ontario college to earn a STARS® Gold Rating for sustainability, Mohawk is taking action to promote a sustainable lifestyle.

**We have innovative faculty that reflect our core values.**

Our faculty are experts in their field and bring real-world experience to the learning environment. Majlinda Qarri, faculty member and researcher with Mohawk's Energy & Power Innovation Centre, helps Canadian companies develop innovative energy solutions for the future.

**Students and learning are at the heart of all we do.**

From orientation to graduation, Mohawk offers services and activities to help you get the most out of your education, prepare you for your future career and make your college experience memorable.

# Explore. Connect. Apply!

## Your step-by-step guide to becoming a Mohawk student

### STEP 1 Prepare

Check out the admission requirements on the program you are interested in apply for. Use our career tools to explore your interests and personalize your Mohawk experience by creating your [custom viewbook](#)— you'll get the information you want, organized by your interests, sent right to your inbox.

### STEP 2 Apply

Apply online at [ontariocolleges.ca](https://ontariocolleges.ca).<sup>\*</sup> If you need help, our [Discovery Team](#) can answer your questions. Pay special attention to the deadlines for competitive programs (indicated with **C** beside the program name)—those programs have more qualified applicants than there are spaces. You must apply for these programs before the “equal consideration date” to be considered on an equal basis with all other applicants.

Applying for  
**Fall 2021:**

**FEBRUARY 1**  
Equal consideration  
date

**MAY 1**  
Confirm your offer  
of admission

**JUNE 15**  
Tuition deposit due for  
new students

Applying for  
**Winter 2022:**

**JUNE 1**  
Equal consideration  
date

**MID-JULY**  
Confirm your offer  
of admission

**NOVEMBER 15**  
Tuition deposit due for  
new students

Dates and deadlines subject to change. Visit [mohawkcollege.ca/academicdates](https://mohawkcollege.ca/academicdates) for the most up to date information.

### STEP 3 Confirm

Receive your offer—congratulations! Confirm your program of choice at [ontariocolleges.ca](https://ontariocolleges.ca) and watch for your Registration and Fee Guide. We can help you understand the financial assistance options you may qualify for. Learn more at [mohawkcollege.ca/financialassistance](https://mohawkcollege.ca/financialassistance).

### STEP 4 Register

Pay your tuition deposit to secure your spot. When registration opens for your program you are ready to select your timetable. Pay the balance of your fees or make financial arrangements to defer your fees and submit your timetable to register. Details and options will be outlined on your fee statement and at [mohawkcollege.ca/payment-options](https://mohawkcollege.ca/payment-options).

### STEP 5 Start!

Attend Orientation, explore Mohawk's services and get involved!

<sup>\*</sup>Applicants are encouraged to review the program web pages for admission requirements, including police checks, field placement/clinical requirements, equipment purchases and for details on how to apply.

# Connect with us online!

## Attend a College Information Session

Join our Education Advisors for an online information session to learn more about Mohawk programs, services and how to complete your online Ontario College application.

## **Meet Heston**

A graduate of the Business Analysis Graduate Certificate, Heston '18 is currently pursuing his passion as a Transformational Change Analyst at Hamilton Health Sciences.

In addition to his capstone project and interactive simulation, Heston had the opportunity to complete his field placement at Hamilton Health Sciences. "My placement taught me the professionalism that was critical to succeed in the organization and gave me the important vote-of-confidence to trust my decision making."

# Faculty Spotlight

**Carol Valentine Fleck** B.Sc., P.Log, is a Supply Chain and Logistics professional with over twenty years of Canadian, US and international supply chain and operational experience. Carol has a high degree of operational competencies and expertise within all areas of manufacturing management, production, operations, quality, customer care, forward and reverse logistics, budgets, capital planning, financial reporting, inventory management and planning. This comprehensive experience allows Carol to bring practical experience of Supply Chain Management knowledge to the classroom.

**Program:** [Supply Chain Management](#)

---

**Krissy Doyle-Thomas**, Ph.D. is a Professor at Mohawk College and a Medical Neuroscientist. Her research uses cutting-edge brain imaging and modulation technologies to explore innovative ways to treat children with neurodevelopmental and communication disorders. As part of an academic clinical team at Holland Bloorview Kids Rehabilitation Hospital, Krissy has applied her innovations within a clinical setting specifically to support treatment for children with autism spectrum disorders.

**Programs:** [Brain Disorders Management](#), [Mental Health and Disability Management](#)

---

**Tim Tuck** joined the Public Relations graduate certificate program as a faculty member in 2007, following a 22-year career in journalism and public relations. His public relations career has taken him through the worlds of entertainment, sports and municipal government. As a Senior Communications Officer with the City of Hamilton, Tim managed public relations campaigns. Tim has been accredited by the International Association of Business Communicators (IABC) and has served on the board of local and regional chapters.

**Program:** [Public Relations](#)

## Plan for Success

We've joined forces with ten leading employers in the Hamilton Region to create the Future Ready Premium Employer Program, a new partnership designed to actively engage industry and community partners in the training of job-ready college graduates.

The initiative will provide Mohawk students with:

- [New learning modules to support career development throughout your program of study](#)
- Early exposure to significant employers in the region
- New experiential learning and applied research opportunities
- Opportunities to explore company-specific jobs prior to graduation
- Post-graduation job search advising and support

Area	Program	Description	Career opportunities	Credential	Campus	Start	CE
	<b>Community and Social Services Management</b> <a href="http://mohawkcollege.ca/987">mohawkcollege.ca/987</a>	In this online program, examine and apply market-based strategies to achieve a social purpose and develop a vision and values-based management approach. Coursework includes public administration, management principles, corporate social responsibilities and human resources for community management. You will participate in an integrated learning project working with industry partners to analyze a management, policy or human resources problem for a community or organization.	Graduates work in positions such as case worker, supervisor of community justice programs or community development worker. Places of employment include individual and family services, civic and social organizations, local and municipal public administration, and retirement and nursing care facilities.	OCGC	Online	Sept, Jan or May	✓
	<b>Concurrent Disorders</b> <a href="http://mohawkcollege.ca/252">mohawkcollege.ca/252</a>	Building on previous academic work, you will learn to assess, treat and work with individuals and families battling addiction and mental health issues who present complex diagnosis and treatment challenges. Coursework includes development of counselling skills, pharmacology for concurrent disorders, supporting families living with concurrent disorders, and relapse prevention and harm reduction. Additionally, you will attain job-ready skills by completing field placements in community organizations.	Graduates work in positions such as case manager, mental health worker, community worker and addiction worker in a variety of settings including community agencies, day programs, detoxification units, mental health/addiction services and shelters.	OCGC	Fennell	Sept	✓ ✓

Area	Program	Description	Career opportunities	Credential	Campus	Start	🌐	CE
 	<b>Cyber Security Analytics</b> <a href="http://mohawkcollege.ca/557">mohawkcollege.ca/557</a>	You will develop an understanding of cyber security concepts, industry best practices for securing information systems, sensitive data and applications to protect organizations against fraud, data breaches and other vulnerabilities. Learn how to defend against a cyber attack by participating in real world cyber attack simulations in our brand new, state of the art Cyber Lab. Graduates will be well prepared to develop, implement and evaluate cyber security strategies and solutions for various operating systems, networks, applications and databases.	Graduates work in areas such as cyber security operations, cyber security threat assessment and policy testing, identity and access management with personal privacy, and auditing and security review. Employment sectors include financial/banking, computing services, medical, education, government, airlines, research institutions, law enforcement and military.	OCGC	Fennell	Sept	✓	✓
 	<b>Diagnostic Cardiac Sonography</b> <a href="http://mohawkcollege.ca/717">mohawkcollege.ca/717</a>	In this nationally recognized and accredited program, you will develop field and clinical skills as part of an interprofessional team in the Centre for Health Care Simulation lab. Through classroom, lab, simulation and clinical experience, technical skills are applied to produce and evaluate diagnostic cardiac images and data using sonographic technology. Prior to graduation, you will complete extensive unpaid clinical training with affiliated clinical agencies. Program is delivered over a period of four consecutive semesters.	Graduates may work in positions such as cardiac sonographer, clinical application specialist, sonography educator, medical sales representative or medical researcher.	OCGC	IAHS	Sept

## Institute for Applied Health Sciences at McMaster (IAHS)

1400 Main Street West, Hamilton

## Land Acknowledgment

Mohawk College derives its name from the Mohawk Nation, one of the Six Nations of the Haudenosaunee Confederacy. The Confederacy marks a union of peace and friendship, and Mohawk College honours that union by recognizing the Six Nations of the Grand River and the Mississaugas of the Credit First Nation.

We acknowledge that the territories on which Mohawk College and its campuses are situated are governed by the Between the Lakes Treaty, the Dish with One Spoon Wampum Agreement, and the Upper Canada Treaty Agreement. These agreements are binding to this day and represent our mutual commitment to maintain healthy, reciprocal and respectful relationships with the many Indigenous nations and peoples of this area. We acknowledge this and iterate our dedication to inclusivity, to friendship and to valuing the ongoing contributions of Indigenous peoples and communities.
